

About the Metro Subregional Equity Program

Policy Advisory Council
September 2020

Background

- The subregional equity program (SEP) is a Measure M multi-year subregional program
- Funding is “programmed” in the third decade
- Subregions are seeking guidance to accelerate the funding

Funding Amounts (\$ in millions)

Subregion	2015\$	Inflated (estimate)
Arroyo Verdugo	96.0	262.2
Westside	160.0	437.0
Central City Area	235.0	641.8
North County	115.0	314.1
Las Virgenes Malibu	17.0	46.4
Gateway Cities	244.0	666.4
South Bay	130.0	355.0
San Gabriel Valley*	98.5	269.0
Total	\$1,095.5	\$2,991.9

* Excludes funding allocated to Foothill Gold Line Construction Authority

Key Considerations

- When can SEP be accelerated?
 - Cost Management Policy
 - Early Project Delivery Strategy Policy
 - Metro financial capacity
- Board Motion 38.1 May 2020
 - At least 120 days notice prior to staff recommendation
 - Approval by subregion governing body

Next Steps

- Metro staff developing SEP guidelines
- Create timeline for outreach with subregions and PAC
- Guidelines proposed to Metro Board by end of 2020
