Dear Mr. Reamer:

This is to certify that the undersigned Contractor has read and understood the Project Labor Agreement (PLA) entered into by and between the Los Angeles County Metropolitan Transit Authority (LACMTA) and signatory Building and Construction Trades Councils and Unions dated December 20, 2010 and the LACMTA Construction Careers Policy (Policy). The undersigned Subcontractor hereby agrees to comply with all of the terms and conditions of the aforementioned duly signed PLA and Policy.

The undersigned Contractor acknowledges that compliance with the provisions of Articles VII relating to target Disadvantaged Workers, Workforce Referral and Development and Apprenticeship Participation (Article 7.7 & 7.11) is of particular importance.

It is understood that the signing of the Letter of Assent shall be as binding on the undersigned Contractor as though the Contractor had signed the PLA and shall require all its subcontractors, of whatever tier, to become similarly bound for all work within the scope of this PLA and the Policy.

This further certifies (per Articles 1.9, III & the Policy) that the undersigned Contractor understands that submission of this Letter of Assent and employment hiring plan will be required prior to the commencement of any work in relation to this contract. Sincerely,
