2.4 Targeted Hiring

2.4.1 Hiring Requirements for Non-Federally Funded Projects.

The Prime Contractor shall ensure that the following targeted hiring requirements are met for each non-federally funded project:

- A minimum of 40% of all hours of project work shall be performed by Local Targeted Workers, with priority given to Community Area Residents. For any hour of Project Work for which the C/S/E/D seeks to meet this requirement, the C/S/E/D and Unions must first refer Community Area Residents. After Unions and C/S/E/Ds have exhausted the available pool of Community Area Residents, they shall refer any Local Residents from Extremely Economically Disadvantaged areas; when the C/S/E/Ds have exhausted the available pool, they shall refer Local Residents from Economically Disadvantaged areas.
- A minimum of 10% of all hours of Project Work shall be performed by Disadvantaged Workers whose primary place of residence is within Los Angeles County.
- At least 20% of total work hours on each project will be performed by apprentices, but the hours performed by apprentices in each individual craft shall not exceed the ratio to journeyman established by the applicable craft union's Division of Apprenticeship Standards (DAS) approved apprenticeship standards. Local Targeted Workers will perform 50% of all apprenticeship hours worked on the Project.

Work for which the C/S/E/D seeks to meet this requirement, the C/S/E/D and Unions must first refer residents of National Extremely Economically Disadvantaged areas. After Unions and C/S/E/Ds have exhausted the available pool of residents of National Extremely Economically Disadvantaged areas, they may refer any National Targeted Worker.

- A minimum of 10% of all hours of Project Work shall be performed by Disadvantaged Workers.
- At least 20% of total work hours on each project will be performed by apprentices, but the hours performed by apprentices in each individual craft shall not exceed the ratio to journeyman established by the applicable craft union's DAS approved apprenticeship standards. National Targeted Workers will perform 50% of all apprenticeship hours worked on the Project.

2.5 Compliance

LACMTA or its authorized representatives shall determine whether a Prime Contractor and its C/S/E/Ds have complied with the requirements of the LACMTA-PLA and the Policy. The Prime Contractor is ultimately responsible for it and its C/S/E/Ds compliance with the LACMTA-PLA and Policy requirements.

- 2.5.1 If, after taking into account all hours of project work performed up to that point in time of the Reporting Period, the targeted hiring requirements of the LACMTA-PLA and Policy have been satisfied for a Project, then the Prime Contractor and its subcontractors working on that Project shall be deemed to be in compliance.
- 2.5.2 If the targeted hiring requirements of the LACMTA-PLA and the Policy have not been satisfied for a Project, the Prime Contractor nonetheless may be deemed to be in compliance if it demonstrates both (a) that it and each of its C/S/E/Ds have complied with all other requirements of the LACMTA-PLA and the Policy, and (b) that it and each C/S/E/D have either (i) satisfied the targeted hiring requirements of the LACMTA-PLA and this Policy with regard to the project work that it has performed or (ii) satisfactorily demonstrated the following:
 - Adherence to procedures contained in its Employment Hiring Plan (EHP) as approved by the LACMTA.

- Documented contact with the Jobs Coordinator in each instance when the relevant Union did not refer qualified Targeted Workers within the 48 hours following the C/S/E/D's request and the C/S/E/D's fair consideration of any Targeted Worker or Disadvantaged Worker subsequently referred by the Jobs Coordinator.

 - The identity and address of the worker(s) hired pursuant to the contact;
 - Documentation when a referral was not hired (reason for non-hire) and/or premature termination.

2.6 Enforcement

2.6.1 The Prime Contractor for every project agrees to the following:

- The Prime Contractor and its C/S/E/D's commitment to comply with the targeted hiring requirements of the LACMTA-PLA and Policy is a material element of the contract.
- The Prime Contractor will be liable to the LACMTA for Liquidated Damages as provided in this section.
- The failure of the Prime Contractor and its C/S/E/Ds to comply with the targeted hiring requirements will cause harm to the

LACMTA and the public which is significant and substantial but extremely difficult to quantify. The harm to the LACMTA includes the difficult-to-quantify harm that the community and its families suffer as a result of high unemployment and concentrated poverty.

- Due to the difficulty of estimation of damages for violation(s) of requirements of this Policy, construction contracts shall have provisions establishing liquidated damages to be assessed as follows:
 - The Prime Contractor shall pay liquidated damages equal to the average journey person project wage for each hour the Project fell short of the targeted hiring, or \$500 per day, whichever is greater.
 - If the project's targeted hiring requirements are out of compliance during any Reporting Period, the Prime Contractor shall meet with the LACMTA to develop a plan for compliance. The Prime Contractor has until the next Reporting Period to effectuate compliance or Liquidated Damages shall be withheld.
 - Before Liquidated Damages are sought, the Prime Contractor shall be notified of the proposed Liquidated Damages and served with a summary of the information upon which the Liquidated Damages are based.
 - Liquidated Damages shall be withheld from all subsequent monthly progress payment request(s) as disputed funds until such time as Prime Contractor is found to be in compliance, the project contract is terminated, or the project is completed.
 - Should the project be terminated or completed before the Prime Contractor is found to be in compliance, recommendation may be made to the LACMTA's CEO to assess Liquidated Damages to be withheld from the contractor's retention.

2.6.2 Liquidated Damages Appeal

2.6.2.1 The Prime Contractor may appeal the assessment of Liquidated Damages before the LACMTA's CEO. Prior to the hearing, the Prime Contractor shall be provided a summary of the information upon which the recommendation assessment is based.

2.6.2.2 The Prime Contractor must request an appeal in writing within 10-calendar days of receipt of the Liquidated Damages assessment summary. At the hearing, the Prime Contractor will be allowed to provide evidence that it has made all of the showings required under Section 2.5 of the Policy. Failure to submit a written request for an appeal within the time frame stipulated in this Section will be deemed a waiver of the right to appeal and the recommendation for assessment of Liquidated Damages will be implemented.

2.6.3 Consistent, substantial violations of the LACMTA-PLA and/or Policy by any Prime Contractor may result in contract termination.

The provisions of this Policy shall not be applicable where prohibited by federal or state law, or where the application would violate or be inconsistent with the terms and conditions of a grant or a contract with an agency of the United States or the State of California, or the valid instructions of an authorized representative of any of these agencies with respect to any grant or contract. If enforcement of any provision of this Policy is enjoined by any court of competent jurisdiction, the remaining provisions shall remain in full force and effect.
