PUBLIC INPUT

The meetings of the Los Angeles County Metropolitan Transportation Authority (Metro) Board are open to the public. A member of the public may address the Board on agenda items, before or during the Board or Board Committee’s consideration of the item for up to 5 minutes per item, or at the discretion of the Chair. A request to address the Board should be submitted in person at the meeting to the Board Secretary prior to the start of the meeting.

The public may also address the Metro Board on non-agenda items within the subject matter jurisdiction of the Metro Board during the public comment period, which will be held at the end of each meeting. Each person will be allowed to speak for one minute and may speak no more than once during the Public Comment period. Public Comment will last a maximum of 30 minutes, or as otherwise indicated by the Chair. Speakers will be called according to the order in which the speaker request forms are received until the Public Comment period has expired. Elected officials, not their staff or deputies, may be called out of order and prior to the Board’s consideration of the relevant item.

At the discretion of the Chair, the Board may limit public input on any item, based on the number of people requesting to speak and the business of the Board.

In the interest of hearing from as many members of the public as possible, if at the time your name is called, your issue has been addressed or your opinion expressed by a previous speaker, please simply state that fact and your name for the record.

In accordance with State Law (Brown Act), all matters to be acted on by the Metro Board must be posted at least 72 hours prior to the Board meeting. In case of emergency, or when a subject matter arises subsequent to the posting of the agenda, upon making certain findings, the Board may act on an item that is not on the posted agenda.
