ISSUE

The Measure R Ordinance establishes an Oversight Committee to make findings as to whether Metro has complied with the terms of the Ordinance. The Ordinance requires that the first audit of Measure R expenditures be completed by December 2010. Staff is preparing guidelines to govern the operations of the Committee.

BACKGROUND

On November 4, 2008, Los Angeles County voters approved Measure R that imposed an additional ¼ cent transactions and use tax to fund transportation improvements in the County. Measure R became effective July 1, 2009. The Ordinance establishes an Independent Taxpayers Oversight Committee and an oversight process to ensure that Metro complies with the terms of the Ordinance. The Committee will select and consult with an Advisory Panel when performing its duties required by the Ordinance. The oversight process also requires that an annual audit be conducted to determine whether Ordinance provisions were complied with relating to the receipt and expenditures of sales tax revenues during the previous fiscal year. Attachment A contains a draft of these proposed guidelines. Staff has established an internal working group to review and finalize the draft guidelines. The intent is to finalize these guidelines in time for the Committee’s first meeting, which has not yet been scheduled.
Committee Selection
The Ordinance stipulates that the Committee be comprised of three retired Federal or State judges. The judges are selected as follows: one appointed by the County Board of Supervisors; one appointed by the Mayor of the City of Los Angeles; and one appointed by the Los Angeles County City Selection Committee. The members of the Committee must reside in Los Angeles County and may not currently be serving as an elected or appointed public officeholder. The Mayor of Los Angeles and the Los Angeles County City Selection Committee have made their appointments and the County of Los Angeles’ appointment is underway. The Board will be notified once all three of the judges have been appointed.

GUIDELINES

SECTION 1. PURPOSE
On November 4, 2008, Los Angeles County voters approved Measure R also known as the Traffic Relief and Rail Expansion Ordinance, Imposing a Transactions and Use Tax to be Administered by the State Board of Equalization ("Ordinance") (Attachment 1). Measure R became effective July 1, 2009. Section 8 of the Ordinance establishes a Proposition R Independent Taxpayers Oversight Committee of Metro ("Committee") and an oversight process to determine compliance by Metro with the provisions of the Ordinance relating to the receipt and expenditure of Measure R revenues during the preceding fiscal year. The Committee will select and consult with an Advisory Panel ("Panel") when performing its duties required by the Ordinance. The oversight process requires that an annual audit be conducted to determine whether Metro complied with Ordinance provisions relating to the receipt and expenditures of sales tax revenues. Attachment A of the Ordinance contains the expenditure plan ("Expenditure Plan") for the revenues derived from the sales tax imposed pursuant to the Ordinance, and any other identified state and local funding, as required by Public Utilities Code Section 130350.5(f).

2.4 Each member of the Committee shall serve for a term of two years, and until a successor is appointed. A Committee member may be removed at any time by his/her appointing authority. There is no limit as to the number of terms that a Committee member may serve.

The Local Return guidelines include maintenance of effort requirements for the local return program, matching funds, and administrative requirements for the recipients of revenue derived from the Sales Tax.

a. It is the intent of the Legislature and Metro that revenues provided from the Ordinance to local jurisdictions in Los Angeles County under the projects and programs described in the Expenditure Plan as “Local Return” be used to augment, not supplant, existing local revenues being used for transportation purposes.

4.4 The Committee shall prepare an annual report to the Metro Board of Directors presenting the results of the annual audit and any findings made. The report
