REVISED

PLANNING AND PROGRAMMING COMMITTEE

March 16, 2011

**SUBJECT: HIGHWAY PROJECTS GOING TO CONSTRUCTION IN
CALENDAR YEAR 2011**

ACTION: RECEIVE AND FILE

RECOMMENDATION

Receive and file this report on all highway projects which are expected to go to construction in calendar year 2011.

ISSUE

Since the passage of Measure R, in October 2009, the Board adopted the Measure R Highway Program as part of the 2009 Long Range Transportation Plan (LRTP). In March 2010, the Board adopted near-term strategies and priority setting criteria for the funding now available to implement projects in the near-term of the LRTP. Various highway projects have completed design work with the necessary right-of-way activities and acquisitions completed or nearly completed. The next step will be to advertise these projects for construction. This report provides a list of highway projects for which construction is expected in calendar year 2011.

DISCUSSION

In partnership with various project sponsors, we have been working to execute Memorandum of Understanding (MOUs) for construction while other projects are currently nearing the advertising stage with contract awarding and construction soon underway. Currently, there are 18 highway projects for which construction is expected in calendar year 2011. Attachment A contains each project's description, estimated advertisement, contract award and construction start dates for all the projects listed below.

Measure R Projects:

- (1) I-5 North HOV from SR-134 to SR-118 – Buena Vista Street to SR-170
- (2) I-5 North HOV from SR-134 to SR-118 – Magnolia Boulevard to SR-134

- (3) I-5 North Capacity Enhancements: Truck Lanes from SR-14 to Pico Canyon Road
- (4) I-5 Carmenita Road Interchange
- (5) I-5 South Widening and HOV – Alondra Avenue Overcrossing
- (6) Alameda Corridor East (ACE) San Gabriel Trench
- (7) San Fernando/Grandview – At-Grade Rail Crossing Improvement
- (8) Sonora-Avenue At-Grade Rail Crossing Safety Upgrade
- (9) Highway 101 Park and Ride
- (10) Route 101/Lindero Canyon Road Interchange Improvements
- (11) Roundabout – City of Agoura Hills

Long Range Transportation Plan (LRTP) Projects:

- (12) Soundwall Package 5: I-405
- (13) Soundwall Package 6: I-405
- (14) Soundwall Package 7: SR-134
- (15) Soundwall Package 8: I-605
- (16) SR-138 Widening and Capacity Enhancements, Phase 1 – Segment 5
- (17) SR-138 Widening and Capacity Enhancements, Phase 1 – Segment 12
- (18) Alameda Corridor East (ACE) Grade Separation – Baldwin Avenue

NEXT STEPS

We will continue working with the various jurisdictions, Councils of Governments and Caltrans on each project's development. As the work progresses, we will provide updates to the Board on a periodic basis.
