

JUNE 2014 SERVICE CHANGE STATUS

Line 169 Extension to New Burbank Airport RITC

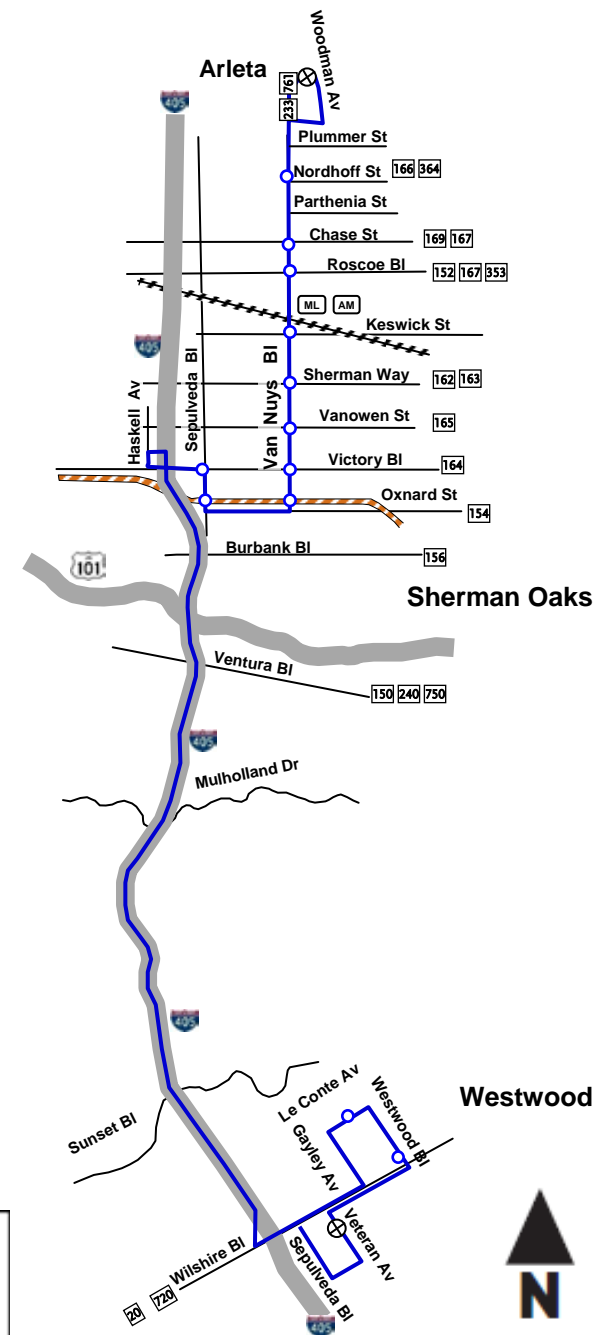

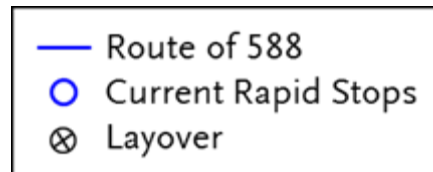

Line 222 Proposed Service to New Bob Hope Airport RITC and Extension to Sunland via Line 169

- Modify Line 169 to terminate at RITC
- Extend Line 222 over the route of Line 169 to Sunland
- Service Improvements on Sunland Bl
- Line 91 weekend service will be replaced by Line 222 from Sunland to Burbank Airport

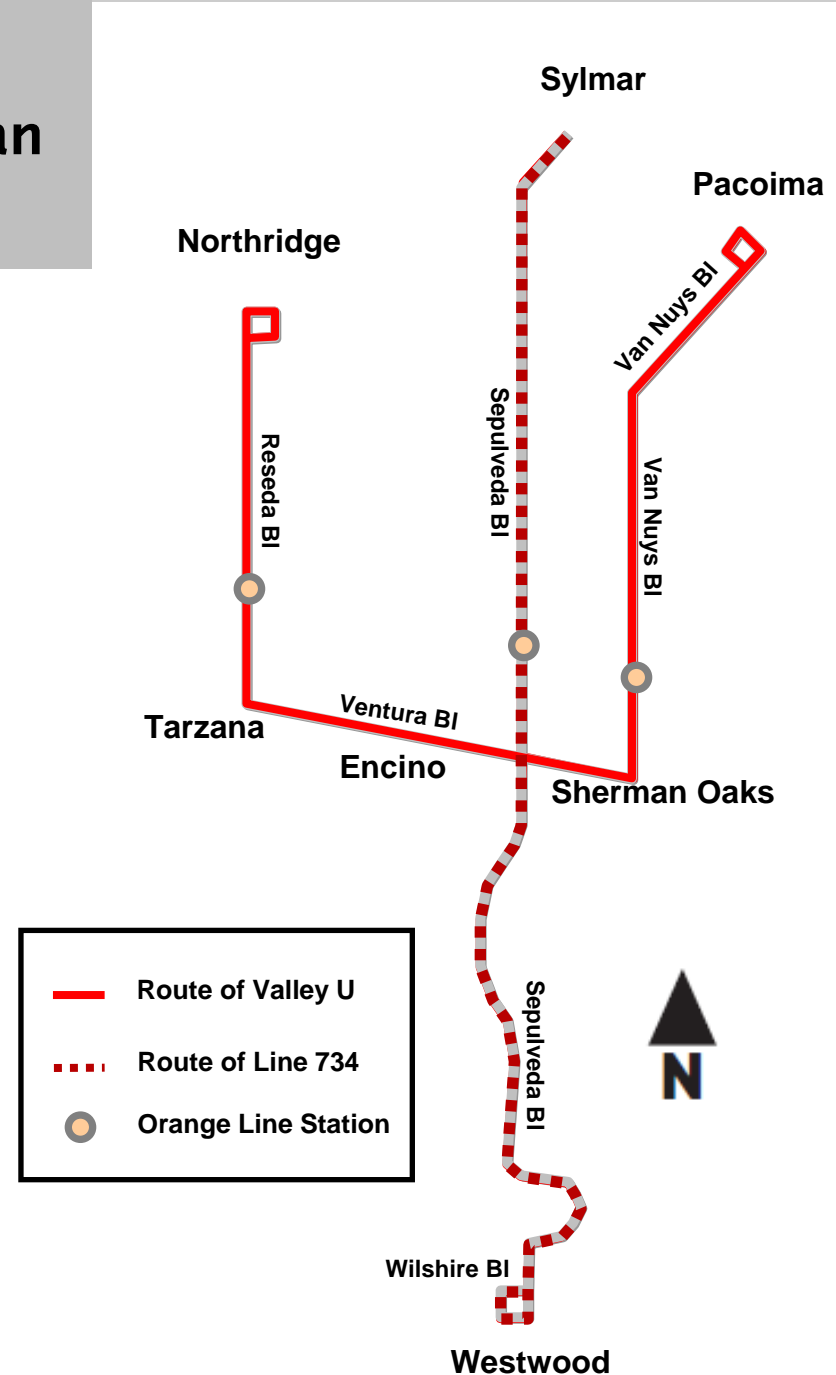

New Line 788 (formerly 588)

- Proposed 10-15 min peak direction headway, peak periods only
- Board Motion 41 to map out implementation plan:
 - service provider
 - cost/funding
 - bus requirement
 - operator requirement
 - implementation date

Valley U Service and Line 734 – Extend Route from Sherman Oaks to Westwood via Sepulveda Bl

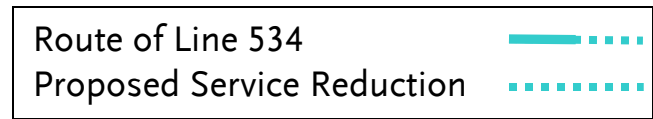

- Delay implementation until Line 788 starts (Dec 2014) based on the following benefits:
 - One seat ride from Van Nuys to Westwood will be preserved;
 - Additional capacity on south Sepulveda would protect from overcrowding and allow redistribution of resources to north Sepulveda;

Line 534 – Reduce Service from Santa Monica Expo Station to Washington-Fairfax Transit Hub

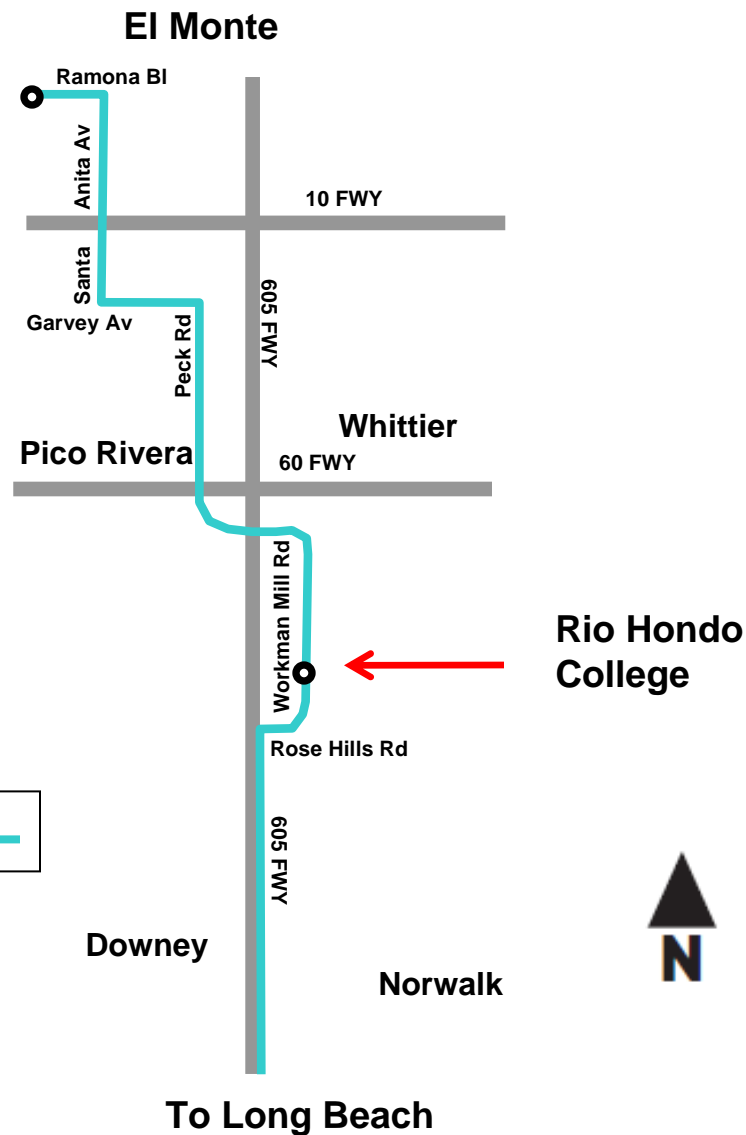

- Reduce weekday service from Santa Monica Expo Station to Washington/Fairfax Transit Hub.
- Weekend Service will remain unaffected.

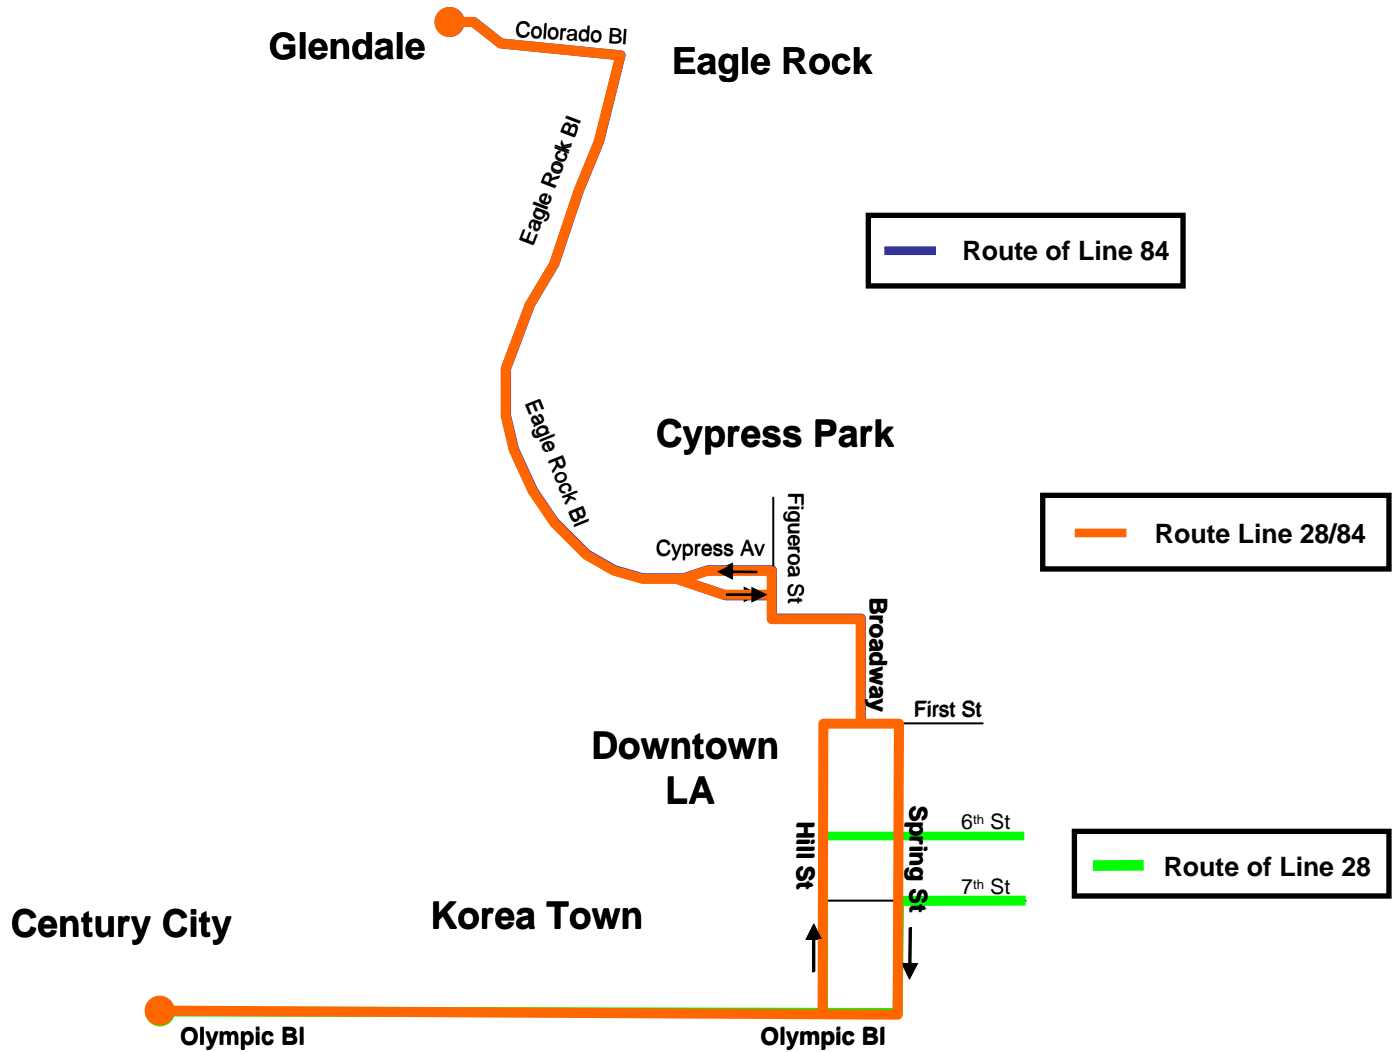

Line 577 – Make Demonstration Routing Permanent

- Make Route Extension Demonstration to Rio Hondo College Permanent
- 100 boardings per day at the new stop

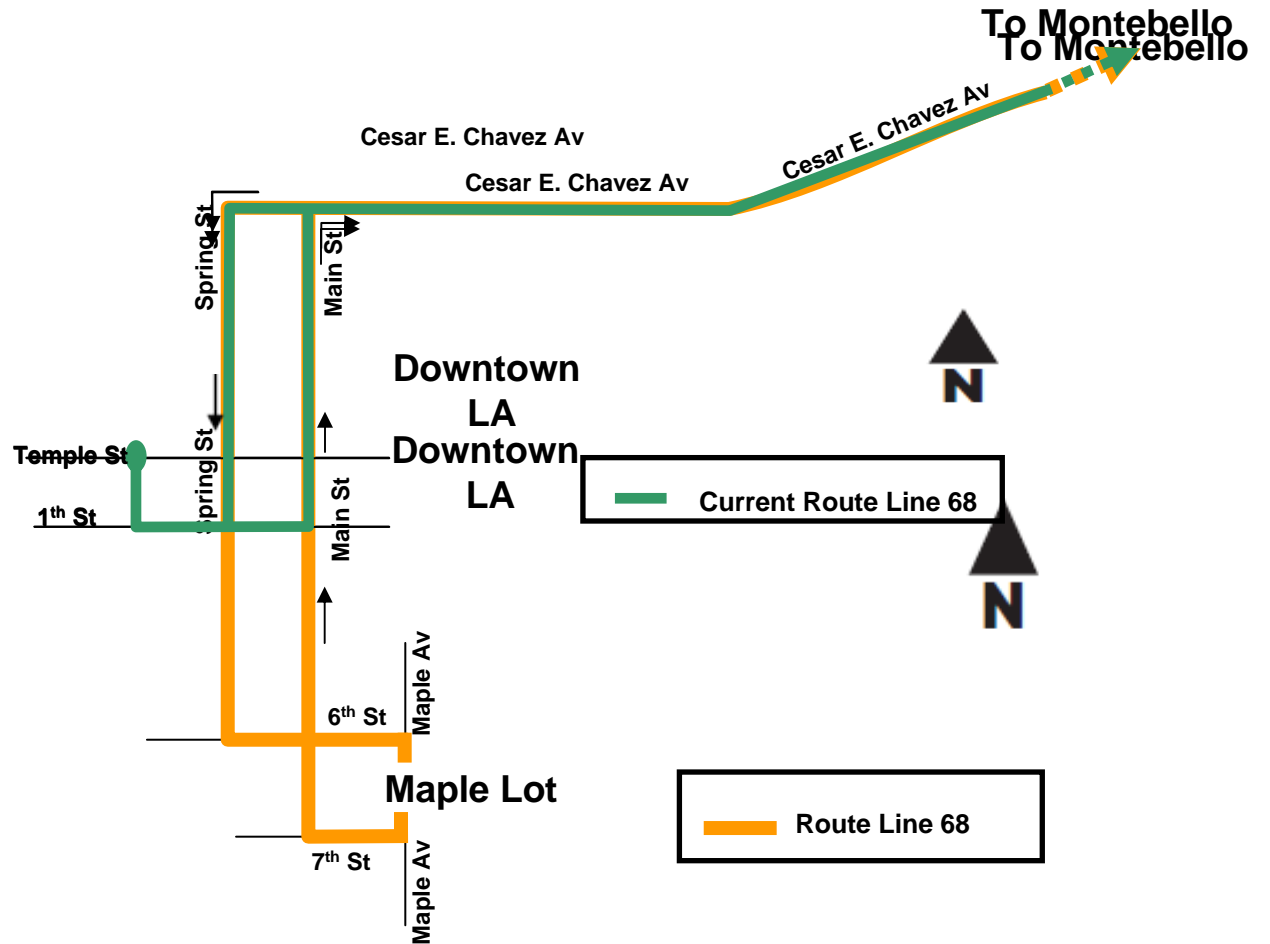

Route of Line 577 

Combine Line 28/84

Line 68 Extension to Maple Lot
