# Parking Ordinance

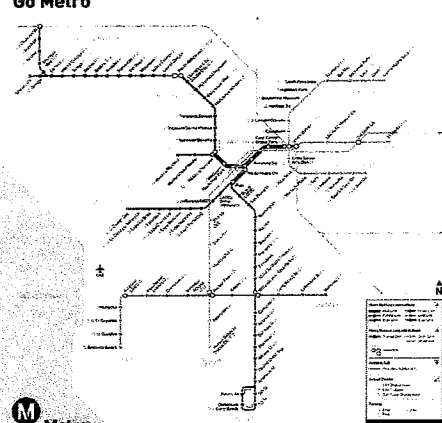

Executive Management Committee  
March 19, 2015

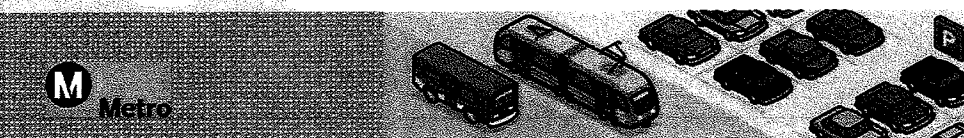

The slide features a dark header with the text 'San Antonio Council' and 'Metropolitan Transportation Authority'. The main content area is white with the title 'Parking Ordinance' in a large, bold font, followed by 'Executive Management Committee' and 'March 19, 2015'. At the bottom, there is a dark banner containing the Metro logo on the left and a photograph of several transit vehicles on the right.

## Overview

Go Metro metro.net

- In 1989 Metro operated over 2,000 parking spaces
- Today the number is over 22,000 spaces at 48 stations
- This number will increase to approx. 25,000 spaces with the Expo II and the Foothill Extension opening in 2016
- If Metro acquires all Caltrans lots in the County, our parking will grow to over 30,000 spaces.

The slide has a dark header with the word 'Overview'. Below the header is a white area containing a map of the Metro rail system with the text 'Go Metro' and 'metro.net'. To the right of the map is a bulleted list of statistics. At the bottom, there is a dark banner with the Metro logo and a photograph of transit vehicles.

## A Parking Ordinance will:

- Adopt policies and regulations to manage parking
- Develop enforcement tools
- Confer with California Vehicle Code Section 21113
- Promote safety and enhance patron experience
- Provide a structure for pricing, setting parameters for parking fee adjustments

## California Vehicle Code (CVC) 21113

- Metro's authority to regulate parking, vehicles (including vehicles other than automobiles) and traffic upon driveways, paths, parking facilities or grounds of Metro is conferred by section 21113 of the California Vehicle Code ("CVC")
