

# Metro Bicycle Roundtable

Metro is convening a series of Bicycle Roundtable meetings in 2010, and we welcome your participation!

Doug Failing, Metro's Executive Director of Highway Programs and Interim Chief Planning Officer, was active in the Caltrans Bicycle Advisory Committee. He will kick-off the first Metro Bicycle Roundtable meeting. The purpose of the first meeting is to initiate a dialogue and identify issues of importance to cyclists in Los Angeles County. This will lead to a vision for enhancing Metro's current program. The outcome of the first meeting will determine the frequency, next steps, and agendas of future meetings.

## DIRECTIONS AND PARKING INFORMATION
