## ATTENTION RESIDENTS AND BUSINESSES IN THE VICINITY OF 1<sup>ST</sup>/SARATOGA

The Contractor for Metro will be grouting in the vicinity of 1<sup>st</sup> and Saratoga. Grouting is a measure taken to stabilize the earth in preparation for excavation of the twin tunnels below 1<sup>st</sup> Street. Prior to grouting, the traffic lanes on 1<sup>st</sup> Street between Fickett and Savannah will be reconfigured. At no time will there for a street closure during this operation

**What:** Traffic reconfiguration and Grouting.

**When:** The re-striping of traffic lanes on 1<sup>st</sup> Street will begin at 9:00pm on Tuesday, March 6, 2006. The Grouting will begin on Wednesday, March 7, 2006 for approximately six weeks, weather permitting. The normal work hours for this activity will be 7:00am-3:00pm, Monday-Friday.

**Where:** 1<sup>st</sup> Street between Fickett and Savannah

**What to Expect:**

The re-striping on 1st Street will take place between Fickett and Jullien. While the grouting operation will take place at 1st/Saratoga, the public can expect the following impacts during this work:

- The loading/unloading zone in front of First Street School will be temporarily unavailable. With the work zone being set up in the middle of 1st Street, the north and south parking lanes will be converted to traffic lanes during this work.
- Westbound traffic on 1st Street will not be able to turn left on Saratoga.
- Eastbound traffic on 1st Street will not be able to turn left on Saratoga.
- Southbound traffic on Saratoga will not be able to turn left on 1st Street.
- Street parking on the North side of 1st Street will be restricted between Mott and Savannah.
- Street parking on the South side of 1st Street will be restricted between Saratoga and Savannah.
