ATTENTION RESIDENTS AND BUSINESSES IN THE VICINITY OF 3rd/MEDNIK

The Contractor for Metro will begin the widening of 3rd Street. The first order of work will entail re-striping of 3rd Street between Arizona and Laverne to push the traffic southerly. This first phase of the widening work will primarily be on the north side of 3rd Street and will consist of new curb and gutters and streetlights in preparation for at-grade station construction.

What: Widening of 3rd Street (North side)

When: Beginning April 8, 2006, the work will continue for approximately four months, weather permitting. The work hours will be 7:00am-4:00pm, Monday through Friday.

Where: 3rd Street between Arizona and Laverne (North side).

**What to
Expect:**

During this phase of the construction activities, the following impacts to traffic can be anticipated:

- Parking on the North side of 3rd Street between Arizona and Laverne will be restricted.
- The Fetterly entrance off of 3rd Street to the Civic Center will be closed for the duration of this construction activity.
- Civic Center Way will be closed from 3rd Street into the parking facility for the first two months of this construction activity, weather permitting.
- All access to the facilities on Fetterly and Civic Center Way will be accessible off of Mednik.
- Access to all homes and business during this construction activity will be maintained.
