ATTENTION RESIDENTS AND BUSINESS OWNERS IN THE VICINITY OF FIRST STREET BETWEEN MISSION ROAD AND GLESS STREET

Beginning Tuesday, May 30, 2006 the contractor will begin the installation of new utilities on First Street between Mission Road and Gless Street. The first order of work will entail work on the First/Mission intersection. The next phase of work will primarily be on the South side of First Street and it will consist of the installation of water pipes.

What: Installation of new utilities on First Street

When: Beginning Tuesday, May 30, 2006, the work will continue for approximately eight weeks, weather permitting. The hours of construction will be 7:00am to 4:00pm, Monday thru Friday and periodic weekend work when needed.

Where: First Street between Mission Road and Gless Street

What to Expect: During this phase of construction activities, the following impacts can be anticipated:

- Traffic lanes will be moved as needed to the north or south side of First Street depending on the construction activities
- Pedestrian access will be redirected to the north or south side of the street depending on the construction activities
- Access to all homes and businesses during this construction activity will be maintained
- Periodic weekend work and street closures
- During street closures traffic will be rerouted and signage will be provided

To request further information through an assistive listening device, please call 1.800.252.9040.

Remember to always be careful when driving or walking through or near a construction area.
Thank you for your patience and cooperation.
