

Construction Notice

>

ATTENTION RESIDENTS IN THE VICINITY OF 3rd/WOODS

During the Review Advisory Committee meeting on September 21, 2006 at the East Los Angeles Library, some of our neighbors complained that the Contractor Crews were utilizing Telford and surrounding streets north of 3rd and west of Atlantic as a means of accessing the construction zones. This notice is to let you know that we heard your concerns and we are responding to you directly. The Contractor is taking (or has taken) the following steps to address your concerns.

- Construction access to the Eastside LRT Staging Area at the corner of Atlantic and Pomona has been re-routed. The access gates off of Telford have been closed and the Contractor will now access the Staging Area from Atlantic.
- Eastside LRT has cleaned Telford to mitigate dust.
- Eastside LRT has also made a commitment to clean up the flower beds at the Kaiser facility.
- The north side of 3rd/Woods has been paved. The concrete crosswalk is scheduled to be placed during the middle of October. Eastside LRT anticipates opening the north side of 3rd/Woods intersection by the end of October— Woods Ave will be open to through traffic.

For further information, please feel free to contact the Community Relations Team at 213.922.2259.

To request further information through an assistive listening device, please call 1.800.252.9040.

Remember to always be careful when driving or walking through or near a construction area.
Thank you for your patience and cooperation.
