

Construction Notice

>
Starting Tuesday, November 21, 2006 the Contractor will be dismantling and extracting the tunnel boring machines at the East Portal, followed by completion of construction work within the tunnels. Both of these activities will require large crane operation on the north side of 1st Street. The Contractor will be closing 1st Street between Fresno and Lorena between the hours of 9:00 a.m. to 3:00 p.m. This activity is scheduled to happen intermittently for a duration of approximately 3 months. This work is in preparation for completing the tunneling portion of the Metro Gold Line Eastside Extension project.

WHAT: Intermittent street closures associated with the dismantling and extracting of the tunnel boring machines and completion of construction work within the tunnels.

WHEN: Tuesday, November 21, 2006 for a period of approximately three months, weather permitting. The hours of construction may be between 9:00 am – 3:00 p.m., Monday – Friday and occasional night-time or weekend work as needed.

WHERE: 1st Street from Fresno to Lorena

WHAT TO EXPECT:

- Street Closure on 1st Street between Fresno to Lorena
- Street parking restrictions on north and south side of 1st Street between Fresno and Concord.
- Access to homes and businesses will be maintained.
