ATTENTION RESIDENTS, BUSINESS & PROPERTY MANAGERS IN THE BOYLE HEIGHTS AND EAST LOS ANGELES AREA

September 18, 2002

The Los Angeles County Metropolitan Transportation Authority (MTA) is continuing its work efforts to construct the Metro Gold Line to East Los Angeles. As part of this effort, crews will be obtaining soil samples from the Los Angeles County Crematorium at Evergreen Cemetery. The work is scheduled on Wednesday, September 18th. The work will not affect pedestrian and vehicle traffic.

WHAT: Geologic investigations (bore holes) will be carried out as part of the engineering design of the MTA Gold Line. Vertical holes approximately 6” in diameter will be drilled to obtain soil samples and then back filled.

WHEN: Wednesday, September 18, 2002, (7:00am – 3:00pm)

WHERE: On the grounds of the Los Angeles County Crematorium next to Evergreen Cemetery.

WHAT TO EXPECT: A survey crew will use a drilling rig to drill holes on the Crematorium property. Access to the Cemetery and Crematorium will not be affected. There will be slight engine noise from the drilling operation.

Remember to always be careful when driving or walking through or near a construction area.

THANK YOU FOR YOUR PATIENCE AND COOPERATION
