

Construction Notice

>
Attention Residents and Businesses in the vicinity of 1st
Street between Breed and Mathews

The Los Angeles County Metropolitan Transportation Authority (MTA) will soon begin advanced utility relocation of CATV (Adelphia Cable). Adelphia Cable crews will excavate trenches to relocate the cable lines to new locations to prepare for the future Metro Gold Line Eastside Light Rail Project.

What: Advanced relocation of utilities prior to light rail construction.

When: This activity will begin the first week in December and will continue for approximately one month. Work hours for this phase will be weekdays from 9:00 am to 3:00 pm and Saturdays from 8:00 am to 6:00 pm. This work will not interfere with traffic at any other time.

Where: The utility relocation activity will take place on 1st Street between Breed and Matthews.

What to Expect: Adelphia Cable crews will relocate the utilities by digging through the street surface and moving the cable lines. Traffic lane requirements are as follows:

Intersection of 1st Street and Breed Street

The Contractor shall maintain one lane of traffic in the westbound direction on 1st Street with no interference to eastbound traffic during work hours. The Contractor shall maintain one lane of traffic in each direction on Breed Street during work hours.

1st Street between Breed Street and Soto Street

The Contractor shall maintain one lane of traffic in the westbound direction on 1st Street with no interference to eastbound traffic during work hours.

Intersection of 1st Street and Soto Street

The Contractor shall maintain one lane of traffic in the westbound direction on 1st Street with no interference to eastbound traffic during work hours. Prohibit westbound left-turns on 1st Street. The Contractor shall maintain one lane of traffic in each direction on Soto Street during work hours. Prohibit left-turns on Soto Street.

1st Street between Soto Street and approximately 150' east of Matthews Street

The Contractor shall maintain one lane of traffic in the westbound direction on 1st Street with no interference to eastbound traffic during work hours. Prohibit westbound left-turns on 1st Street.

Intersection of 1st Street and Matthews Street

The Contractor shall maintain one lane of traffic in each direction on Matthews Street during work hours.

Due to the traffic requirements needed on this project, there will be no street parking on 1st Street from Soto east to Fickett Street on the north side. The no street parking time restrictions are from 8:00 a.m. to 4:00 p.m.

The Contractor shall maintain access to all driveways and shall maintain local and emergency access during all work hours. This work will not interfere with pedestrian traffic, except when workers excavate in the crosswalks. Only one sidewalk may be closed at a time.
