

# Notice of Night Construction

---

>

## ATTENTION RESIDENTS AND BUSINESS OWNERS IN THE VICINITY OF THIRD STREET AND MEDNIK AVENUE

Beginning Monday, August 20, 2007, the Contractor will re-stripe Third St. at Mednik Ave. for one night only. Following the re-stripe, traffic will be restricted from making all left turns at the intersection. Thru traffic and right turns will be maintained. This configuration is necessary for track way construction of the Metro Gold Line Eastside Extension (MGLEE) track work.

**What:** Traffic re-configuration on Third St. and Mednik Ave. intersection.

**When:** Beginning Monday, August 20, 2007 at 7:00 p.m., night re-stripping will be for only one night. Once the re-stripe is completed, night work will occur for two consecutive weeks, weather permitting. The hours of construction will be from 7:00 p.m. to 6:00 a.m.

**Where:** Third Street and Mednik Avenue.

**What to Expect:**

- During the hours of 7:00 p.m. to 6:00 a.m. eastbound and westbound thru traffic may periodically be required to make a right turn onto Mednik Ave.
- Southbound and northbound thru traffic will be maintained at all times
- Right turns will be maintained at all times
- Left turns will be restricted for traffic in all directions during the length of this construction activity
- There will be 3 days that eastbound and westbound thru traffic at the Third St. and Mednik Ave. intersection will be restricted. Both eastbound and westbound will be detoured at Mednik Ave. and will need to make a right turn. This is necessary for concrete pours. The hours of this closure will be from 9:00 a.m. to 3:00 p.m.
- Cones and arrow boards will be used to re-direct traffic
- Access will be maintained for all residents
- Pedestrian access will be maintained and will be redirected into a safe area out of the zone of construction
- Fire department and emergency vehicles access will be maintained at all times
