

Notice of Night Construction

>

ATTENTION RESIDENTS AND BUSINESS OWNERS IN THE VICINITY OF THIRD STREET AND MEDNIK AVENUE

On either Thursday, August 30, 2007 or Tuesday, September 4, 2007, the Contractor will re-stripe Third St. at Mednik Ave. for one night only. Following the re-stripe, traffic on Mednik Ave. will be pushed to the easterly side of the intersection. Thru traffic and turns will be maintained. This configuration is necessary for the contractor to lay track on the western side of the intersection at Third Street.

What: Traffic re-configuration on Third St. and Mednik Ave. intersection.

When: Thursday, August 30, 2007 or Tuesday, September 4, 2007 at 7:00 p.m., night re-stripping will be for only one night. This traffic configuration is scheduled to last thru the week of mid-September. The hours of construction will be from 7:00 a.m. to 4:00 p.m., weather permitting.

Where: Third Street and Mednik Avenue.

What to Expect:

- There will be 2 days that eastbound and westbound thru traffic at the Third St. and Mednik Ave. intersection will be restricted. Both eastbound and westbound will be detoured at Mednik Ave. and will need to make a right turn. This is necessary for concrete pours. The hours of this closure will be from 9:00 a.m. to 3:00 p.m.
- Cones and arrow boards will be used to re-direct traffic.
- Access will be maintained for all residents.
- Pedestrian access will be maintained and will be redirected into a safe area out of the zone of construction.
- Fire department and emergency vehicles access will be maintained at all times.

To request further information through an assistive listening device, please call 1.800.252.9040.

Remember to always be careful when driving or walking through or near a construction area.

Thank you for your patience and cooperation.
