

Construction Notice

ATTENTION RESIDENTS AND BUSINESS OWNERS IN THE VICINITY OF FIRST STREET AND LORENA STREET

Beginning Wednesday, June 4, 2008, the contractor will re-configure traffic flow for First Street to the north end of the street. The southern half of First St. will be blocked for Duct Bank Trenching. This modification in traffic pattern is requested to facilitate trenching activities for duct bank tie-in along the East Portal wall, as well as pile shortening activities. Modified traffic pattern will be delineated with temporary striping tape beginning Wednesday afternoon, and re-installed in the existing orientation Friday afternoon.

What: Traffic re-configuration

When: Beginning Wednesday, June 4, 2008 to the afternoon of Friday, June 6, 2008.

Where: First St. from Concord to Lorena Streets

What to Expect:

- Eastbound and westbound traffic flow will be maintained, just shifted towards the north part of First St.
- The site will be in a safe condition at all times. ELRTC will provide flaggers for safe transition of construction activities within the public right-of-way.

To request further information through an assistive listening device, please call 1.800.252.9040.

Please note that construction is a dynamic process and subject to change without notice.

Thank you for your patience and cooperation.
