

# Construction Notice

---

## ATTENTION RESIDENTS AND BUSINESS OWNERS IN THE VICINITY OF FIRST STREET BETWEEN GLESS STREET AND LORENA STREET

Metro has begun Integration Testing along the Gold Line Eastside Extension. As part of the continuing train testing operation, the contractor will be testing the underground station jet fans. This test requires the use of smoke to test the velocity of the air in the tunnel.

What: Tunnel ventilation testing

When: Starting Friday, May 8, 2009 for approximately two weeks

Where: First Street, between Gless Street and Lorena Street

What to expect:

- Smoke will be visible around the tunnel entrances, ventilation areas, emergency exits, and underground stations as part of the testing.
- Emergency Responders will participate in the testing.

---

To request further information through an assistive listening device, please call 1.800.252.9040.

Please note that construction is a dynamic process and subject to change without notice.

*Thank you for your patience and cooperation.*
