

Construction Equipment Funding Resources

Program (Funding Body)	Eligible Equipment	Goal/Intent	Website
Regional			
South Coast Air Quality Management District (SCAQMD)	Various	Provides a broad range of programs and funding to help improve air quality. New incentives and programs are continually updated and available through the SCAQMD website.	aqmd.gov/home/programs
SCAQMD Voucher Incentive Program (VIP)	Heavy-Duty Trucks	Streamlined approach to reduce emissions by replacing old, high-polluting vehicles with newer, lower-emission vehicles, or by installing a Verified Diesel Emission Control Strategy (VDECS).	aqmd.gov/home/programs/business/business-detail?title=voucher-incentive-program&parent=vehicle-engine-upgrades
SCAQMD Surplus Off-Road Opt-In for NOx (SOON) Program	Construction Equipment	Provides funding assistance to applicable fleets for the purchase of commercially-available, low-emission, heavy-duty engines to achieve near-term reduction of NOx emissions from in-use, off-road diesel vehicles.	aqmd.gov/home/programs/business/business-detail?title=off-road-diesel-engines&parent=vehicle-engine-upgrades
SCAQMD Carl Moyer Program	Heavy-duty Trucks and Construction Equipment	Provides competitive grants for the incremental cost of cleaner-than-required engines, vehicles and equipment. The program focuses on cleaning the air by replacing older heavy-duty diesels with electric, alternative-fuel, or cleaner diesel technologies.	aqmd.gov/home/programs/business/business-detail?title=heavy-duty-engines&parent=vehicle-engine-upgrades
Clean Transportation Funding from the Mobile Source Air Pollution Reduction Review Committee (MSRC)	Various	Provides various funding resources to contractors to complete projects that result in lower emissions. New incentives and programs are continually updated and available through their website.	cleantransportationfunding.org/contractor-resources

Construction Equipment Funding Resources

Program (Funding Body)	Eligible Equipment	Goal/Intent	Website
Federal			
EPA's National Clean Diesel Campaign's Diesel Emissions Reduction Act (DERA) Grants & Funding	Various	Provides funding for clean diesel technology through the National Clean Diesel Campaign. These technologies include emissions and idle control devices, aerodynamic equipment, engine and vehicle replacements, and alternative fuel options. New funding opportunities are continually updated and available through the EPA website.	epa.gov/cleandiesel
State			
California Air Resources Board (ARB)	Various	Provides a broad range of programs and funding to help improve air quality. New incentives and programs are continually updated and available through the ARB website.	arb.ca.gov/ba/fninfo.htm
ARB Hybrid and Zero-Emission Truck and Bus Voucher Incentive Project and Low NOx Engine Incentives	Buses and Trucks	Provides vouchers for California purchasers and lessees of hybrid and zero-emission trucks and buses to accelerate the purchase of cleaner, more efficient vehicles in California.	californiahvip.org
ARB Loan Assistance for California Equipment (PLACE) Program	Various	Provides fleet owners, particularly small business owners, easier access to loan opportunities. The ARB's loan programs offer several options to increase financing accessibility, including loans, loan guarantees, and other mechanisms to assist industries affected by ARB regulations. The PLACE Program for Off-Road Vehicles is a loan guarantee program available for off-road vehicle owners needing assistance for financing retrofits, repowers and replacements. The PLACE Program for On-Road Vehicles offers financial assistance to fleet owners.	arb.ca.gov/ba/loan/loan.htm
