

Multi-County Goods Movement Action Plan

Metro Contract No. PS-4310-1268-01-17-1

Metro

Study Overview

MCGMAP Study Area

Overview

Develop a multi-county action plan which balances communities' issues (e.g. environmental, congestion concerns, economic impacts, etc.) with the need to move goods throughout the region.

In response to issues & impacts associated with moving goods.

Solutions will address all modes, and will include capital and non-capital options.

The Overall Approach

(Not Just Another Study)

- **Limit new data collection**
- **Use existing travel demand models**
- **Focus on consensus building, feasibility & implementation**
- **Action plan that is credible, supportable & fundable**

Our Philosophy

Sail the Seven C's:

1) *Communication*

2) *Coordination*

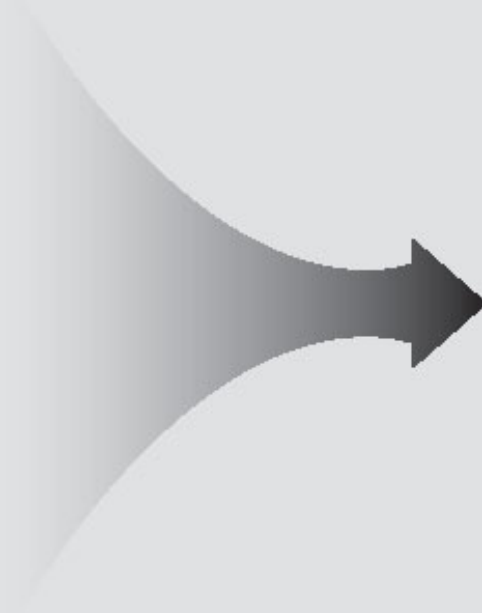

3) *Credibility*
