

Next stop: creating a shared vision.

WEST SANTA ANA BRANCH TRANSIT CORRIDOR (WSAB)

Join us at the Azalea Festival

South Gate Park
4900 Southern Av
South Gate, CA 90280

March 24, 2018
2–6pm

**FREE Metro giveaways
and prize raffle!**

Join Metro and Eco-Rapid Transit at the South Gate Azalea Festival on Saturday, March 24.

Look for our event booths to learn about the TOD Strategic Implementation Plan that is being developed with the 14 communities for the WSAB Transit Corridor, a 20-mile light rail transit line that would connect downtown Los Angeles to southeast LA County. You also will have an opportunity to interactively engage with project staff and provide feedback.

If you can't attend the community event on Saturday, March 24, you still can visit our event booths during the festival from March 22–25, to learn more about WSAB and other Metro projects.
