

ETC Briefing Training

It's never too early to start planning for your 2019 Average Vehicle Ridership (AVR) survey. The Metro Shared Mobility team is here to help you meet air quality and local city trip reduction and zoning ordinances. Metro Shared Mobility hosts monthly Employee Transportation Coordinator (ETC) Briefing sessions to assist employers with the annual AVR survey process and to gain valuable information to help you develop a successful rideshare program.

Attendance at the ETC Briefing session is mandatory for new ETCs and for those conducting an employee survey with Metro for the first time. ETCs needing a refresher are also welcome to attend.

You must reserve your space prior to attending - please email Denise Van Stratten at sharedmobility@metro.net if you interested in attending a Briefing Session date. Please select the ETC Briefing session date that best fits your schedule and allow at least 60 days prior to your SCAQMD or local trip reduction plan due date.

All **ETC Briefing Sessions** are held at Metro Headquarters located at One Gateway Plaza, Los Angeles, CA 90012 on the following dates. These sessions are available to employers at **no** cost:
