

Metro is making service changes.

New schedules start December 16, 2018.

Metro[®]

The following route changes will improve connectivity, on-time performance and expand service.

150/750 – Schedules have been modified to improve evening connections with the Red Line at Universal Station.

16/316 – Due to Purple Line Extension construction, the route will be modified in Century City. In the westbound direction on Santa Monica Bl, buses will turn left on Century Park East, right Olympic Bl, right Century Park West and right Santa Monica Bl. The last stop will be on eastbound Santa Monica Bl at the Avenue of the Stars median transit lane bus stop. In the eastbound direction, the first stop will be on eastbound Santa Monica Bl at Century Park East at the median transit lane bus stop, and then regular route. Stops have been added around Century City along the new route.

28/728 – Due to the Purple Line Extension construction, the route will be modified in Century City. In the westbound direction, buses will continue on Olympic Bl, turn right on Century Park West and right Santa Monica Bl. The last stop will be on eastbound Santa Monica Bl at Avenue of the Stars at the median transit lane bus stop. In the eastbound direction, the first stop will be at westbound Santa Monica Bl and Avenue of the Stars, then turn left Century Park West, left

Olympic Bl to Century Park East, and then regular route. Stops have been added around Century City along the new route.

164/165 – To improve service west of Warner Center, all trips are now scheduled to provide end-to-end service with eliminated shortlines at Owensmouth Av.

601 – The pilot route extension to Ventura Bl in the evening and early morning will become part of the permanent schedule.

Spring St/Main St Bus Stop Realignment for Customer Convenience

Bus stops on southbound Spring St and northbound Main St have been realigned for customer convenience by combining like services. To help reduce bus congestion, stops that may have been placed every block are now placed every other block. See attached map.
