Next stop: new rail to southeast LA County.

WEST SANTA ANA BRANCH TRANSIT CORRIDOR
> 98 square miles

> 20 individual cities plus unincorporated LA County

> 1.2 million people currently reside in the Study Area, with 1.5 million residents projected in 2040

> 584,000 jobs are currently located in the Study Area, 670,000 jobs projected in 2040

> Population and employment densities are five times higher than LA County
Southern Alignment

> **San Pedro Branch**
North of Rosecrans, owned by Ports of LA and Long Beach, 6 miles

> **Pacific Electric Right-of-Way**
South of Rosecrans, owned by Metro, 7.3 miles

> In the event that the WSAB line was to be extended to Orange County in the future, the Project will evaluate an optional station at Bloomfield Avenue (just north of the LA County-Orange County boundary)
Project Goals

➢ Provide mobility improvements
➢ Support local and regional land use plans and policies
➢ Minimize environmental impacts
➢ Ensure cost effectiveness and financial feasibility
➢ Promote equity
