High level summary of Budget

- Targeting a balanced budget for FY19
- Overall the budget is $6.6 Billion representing a 5% increase over FY18 budget, primarily due to continued transition ramping up support for carrying out Measure M initiatives.
- Metro Transit - Operations & Maintenance, no major change to service; increased cost for bus bridges and new labor contract
- State of Good Repair (SGR) increase due to bus procurements & Rail Wayside projects for New Blue improvements
- Subsidy funding costs increase due to increase in sales tax
- Debt service increase due to new light rail car purchase
- Performance Measures to ensure accountability
Revenue Assumptions

• FY19 sales tax growth increase of +3.4% over FY18 estimates based on survey of economic forecasting sources and Metro’s own historical experience.

• Total sales tax including TDA and SB1 revenue is estimated at $3.98 billion
• Only 39% of this total or $1.56 billion is eligible for Metro Operations and State of Good Repair
• Includes $99.7 million of SB1 funding for SGR and STA supplement

• Continued Federal CMAQ and State Cap-and-Trade funds for Gold Line Foothill Extension 2A and Expo Phase II operations

• Federal New Start Grants and TIFIA loans for Crenshaw/LAX, Regional Connector and Purple Line Extension construction

• FY19 CPI of +2.25% representing a hybrid of UCLA and Beacon Economics forecast information for FY19
