  • $44 million – SR-71 Freeway Conversion
  • $32 million – I-605/SR-91 Interchange Improvement
  • $22 million – SR 57/60 Chokepoint Relief Program
Metro Goods Movement Group Initiatives

LA County Goods Movement Strategic Plan:

• Be comprehensive, innovative and transformative
• Seek stakeholder input across the county
• Be approved by the Metro Board
• Support Metro’s Long Range Transportation Plan objectives
• Create a priority project list and performance metrics to support Measure M 2% (Highway) System Connectivity Subfund
• Strive to coordinate with various regional, state, and national agencies
Policy and Institutional Framework

Federal

- Fixing America’s Surface Transportation (FAST) ACT
- Infrastructure For Rebuilding America (INFRA)
- National Highway Freight Network (NHFN)
- Primary Freight Network (PFN)
- Performance Metrics

State

- California Freight Mobility Plan (CFMP)
- California Sustainable Freight Action Plan (CSFAP)
- Trade Corridor Enhancement Program (TCEP)/SB1
- California State Rail Plan

Region

- South Coast Air Quality Management District (SCAQMD)
- Adjacent County Corridors
- METRANS
- Southern California Association of Governments (SCAG) – Regional Transportation Plan

County

- Metro
- Port of Los Angeles
- Port of Long Beach
- Los Angeles World Airports
- Cities/LA County
- Councils of Governments
- Railroads
- Caltrans District 7
- Metrolink

Metro GM Plan

- Fixing America’s Surface Transportation (FAST) ACT
- Infrastructure For Rebuilding America (INFRA)
- National Highway Freight Network (NHFN)
- Primary Freight Network (PFN)
- Performance Metrics

State

- California Freight Mobility Plan (CFMP)
- California Sustainable Freight Action Plan (CSFAP)
- Trade Corridor Enhancement Program (TCEP)/SB1
- California State Rail Plan

Region

- South Coast Air Quality Management District (SCAQMD)
- Adjacent County Corridors
- METRANS
- Southern California Association of Governments (SCAG) – Regional Transportation Plan

County

- Metro
- Port of Los Angeles
- Port of Long Beach
- Los Angeles World Airports
- Cities/LA County
- Councils of Governments
- Railroads
- Caltrans District 7
- Metrolink

Metro GM Plan
What are the Key Goods Movement Challenges Facing LA County?

- How do we ensure economic sustainability and viability?
- Will our transportation system be able to handle demand?
- How do we implement Metro’s equity platform and improve the quality of life for residents?
- How do we finance new infrastructure and technology?
- What will the needs of the goods movement/supply chain system look like in the future?
Development Structure:

- Mission, vision and goals
- Robust stakeholder engagement
- Performance evaluation framework
- Existing conditions and future baseline conditions
- Short-term priority projects
- Funding and implementation strategies
- Board approval expected in mid-2020.
Activities to Date:

November 2018: Project Kick-off

December 2018: Literature review

January 2019: Stakeholder engagement plan

Current Status:

February 2019: External stakeholder interviews

Draft mission, vision and goals development

Existing conditions evaluation
May I come back at a later date to present on this?
Thank you!
