**Subject:** 2013 FTIP Adoption is NOW open @ <https://program.metro.net>  
**Attachments:** 2013 Adoption ProgramMetro Manual.doc

**The 2013 FTIP Adoption is NOW open in the ProgramMetro FTIP Database @ <https://program.metro.net>**

**Please see the attached manual for a step-by-step guide on how to put projects into the 2013 FTIP**

**The 2013 FTIP Adoption is due to Metro: September 30, 2011**

- Agencies must review, update (mark projects as on-going, complete, or delete) and carry-over every project from the 2011 FTIP into the 2013 FTIP. The 2013 FTIP is a forecast of what funds will be obligated in FFY13 through FFY18.
- The 2013 FTIP is expected to be approved by the FHWA in December 2012.
- **If you fail to carry-over your projects into the 2013 FTIP your projects may be delayed 3 or more months.**

*\*2011 FTIP will remain valid until Dec 2012. If you need an amendment to the 2011 FTIP to obligate funds between Oct 1, 2011 – Nov 30, 2012 please contact Metro and/or visit <https://program.metro.net>.*

**2011 Call For Projects** - Once the 2011 Call for Projects (CFP) is approved (expected September 22, 2011) Metro will draft TIP project entries for approved projects and save them under the **[REVIEW PROJECT IN PROGRESS](#)** link in ProgramMetro. Metro will contact agencies to alert them that they must review their draft project entry and submit the project.

If you have any questions please contact a Metro Regional Programming Staff member listed below:

4. When you click on [CARRY-OVER EXISTING PROJECTS](#) you will get a list of your agency's existing projects in the 2011 FTIP.

The screenshot shows the Metro website interface. At the top left is the Metro logo (a black circle with a white 'M') and the text 'Los Angeles County Metropolitan Transportation Authority' and 'Metro'. Below this is a yellow header bar with the text 'CARRY OVER SUMMARY'. To the right of this bar is a summary box with the following text: 'Programmed 11 Projects', 'Carried Over to 13 FTIP', 'Completed', and 'Deleted'. Below the summary bar is another yellow header bar with the text 'CARRY OVER FROM 11 TO 13 FTIP'. Below this is a table with the following columns: 'PROJECT ID', 'FTIP', and 'TITLE'. The table contains two rows of data. The first row has 'LA06203' in the 'PROJECT ID' column, a blue underlined link '[CARRY-OVER]' in the 'FTIP' column, and '11-00' in the 'TITLE' column. The second row has 'LA970501' in the 'PROJECT ID' column, 'LOCKED IN PROGRESS - PROGRAMMED ON 11-17' in the 'FTIP' column, and '11-03' in the 'TITLE' column. A callout box with a speech bubble points to the '[CARRY-OVER]' link in the first row, containing the text 'Click on "Carry-Over"'. Another callout box with a speech bubble points to the 'LOCKED IN PROGRESS - PROGRAMMED ON 11-17' text in the second row, containing the text 'If your projects says "Locked" Metro will contact you when access is restored.'

PROJECT ID	FTIP	TITLE
LA06203	<a href="#">[CARRY-OVER]</a>	11-00
LA970501	LOCKED IN PROGRESS - PROGRAMMED ON 11-17	11-03

5. Click on the link "[\[CARRY-OVER\]](#)" to go into a project.

6. If you project has "[LOCKED IN PROGRESS – PROGRAMMED ON 11-XX](#)" next to the project ID, this project is currently being reviewed in a pending 2011 amendment and can not be carried-over at this time. Metro will contact agencies regarding these projects once they have been approved in a 2011 FTIP amendment to verify that you would like the same information carried-over into the 2013 FTIP. Please contact a Metro Regional Programming FTIP staff member for additional information.

7. Once you click on "[CARRY-OVER](#)" you will be taken into the project screen. Select the appropriate **adoption reason** at the top of the screen as shown in the picture below.

The screenshot shows a form titled "ADOPTION REASON" with three radio button options: "CARRY OVER", "COMPLETE PROJECT", and "DELETE PROJECT".

- On-going Project**: Points to the "CARRY OVER" option.
- Complete = If complete by Dec 2012**: Points to the "COMPLETE PROJECT" option.
- Delete = Canceled project**: Points to the "DELETE PROJECT" option.

8. Update the "**PROGRAMMING INFORMATION (\$000)**" box. List funding in the federal fiscal year you plan for obligation (receive a Caltrans e-76 or FTA grant approval). Shift funds that will not be obligated prior to October 2012 to FFY12/13 through FFY17/18. Funds listed in FFY09/10 and FFY10/11 will not be included in the 2013 FTIP document. **If you fail to correctly update funding information your project may be delayed for 3 or more months.**

9. Provide a reason for project changes in the [General Comments](#) field. For example if there was a cost increase you might write the following:
  - a. Material costs have increased since original project cost estimate. The total project cost increased due to the increase in the cost of cement. Project cost increase will be covered by an increase in local funds from \$100 to \$150.
  
10. Enter all the requested project information. Any required field left blank will be highlighted in yellow to prompt you to complete it.
  
11. Attach supporting documentation if you are adding **new state or federal funding sources**. To attach a document click [“Upload Project Documents”](#) on the upper right-hand corner of the project screen. Browse for the document you want and then click [“Upload Selected Document”](#)
