REVISED
SYSTEMS SAFETY AND OPERATIONS COMMITTEE
APRIL 17, 2014

SUBJECT: LOS ANGELES METRO PROTECTIVE SERVICES

**ACTION: APPROVE UP TO THREE MONTHS ONE-YEAR CONTRACT TIME
EXTENSION WITH COUNTY OF LOS ANGELES SHERIFF'S
DEPARTMENT**

RECOMMENDATION

Authorize the Chief Executive Officer to execute Modification No. 10 to Contract No. PS2610LASD with the County of Los Angeles Sheriff's Department (LASD) to provide law enforcement services for up to ~~one-year~~ **three (3) months** for the period covering July 1, 2014 through ~~June 30, 2015~~ **September 30, 2014 in the amount not-to-exceed \$88,886,976 \$22,221,744.**

RATIONALE

The current Memorandum of Understanding/Contract with the Los Angeles Sheriff's department was approved by the Board for the period covering July 2009 through June 30, 2014, including two one-year options.

In May 2013, staff initiated the development of a preliminary Scope of Work for the new Transit Policing contract in anticipation of expiration of the current contract on June 30, 2014. On June 2013, the Board directed staff to conduct an audit on the current LASD contract and incorporate the recommendation(s) from this audit into the new transit policing scope of work. As a result, the procurement for a new transit policing contract was postponed until staff received the scheduled audit report in January 2014.

On March 2014, staff issued a "Request for Interest" to determine the number of interested parties for new transit policing contract. The Request for Interest is used by staff in assessing the new policing scope and procurement schedule. As of March 31, 2014, METRO received three responses to the "Request for Interest".

Staff is requesting up to ~~one (1)-year~~ **three (3) months** contract extension (with an option to terminate this modification in two (2) months) for the following reasons:

1. Due to delays facing the consultants, staff received the draft audit report on April 4, 2014.

2. Staff needs time to review, evaluate, and incorporate the recommendation(s) into the final transit policing scope of work;
3. Staff anticipate a nine (9) months procurement schedule and Board authorization to award the new transit policing contract; and

FY15 Los Angeles Metro Protective Services Staffing Level			
	FY14 Administration Deputies, and Security Assistants	FY15 Administration Deputies, and Security Assistants	Total FY15 Staff Level Increase
LASD Service Units	607	607	0
Metro Security	105	105	0

In FY15, an increase of \$5,031,338. The three (3) months extension in the amount \$22,221,744 from FY 14 Transit Policing Contract represents a pro-rated amount of a the annual six percent increase for contract overhead costs and law enforcement support for the anticipated line opening of Exposition Line Phase II and Foothill Extension in the third quarter of FY15 .

DETERMINATION OF SAFETY IMPACT

The authorization of FY15 contract extension will provide positive impact on safety for our employees and patrons by mitigating potential terrorist incidents and deterring crimes on our transit system.

FINANCIAL IMPACT

The funding of ~~\$88,886,976~~ **\$22,221,744** (TDA4) for exercising Modification No. 10 is included in the FY 15 budget request for cost center 2610, System Security and Law Enforcement under multiple bus and rail projects, 50320-Contract Services:

LASD Transit Community Policing Contract

Multiple Bus and Rail Projects: **\$ 88,886,976 \$22,221,744**

Impact on Bus and Rail Operating and Capital Budget

The FY15 funding for contract Transit Policing Services will come from Enterprise Fund revenues (fares, sales tax revenues, and TDA4). No other sources of funds were considered for these expenses because this is the appropriate fund source for activities that benefit bus and rail operations.

ALTERNATIVES CONSIDERED

An option considered would be to provide transit policing services through an alternative means to the LASD contract. This alternative is not recommended because this is a critical security program and we do not currently have in-place alternative policy or strategy, nor do we have in place the security assets, to provide the current level of protection for our customers and employees if the Contract Modification 10 is not approved.

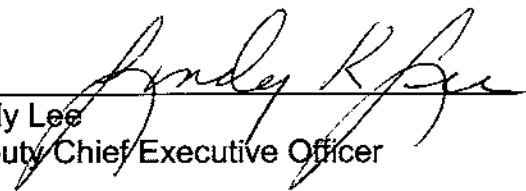

NEXT STEPS

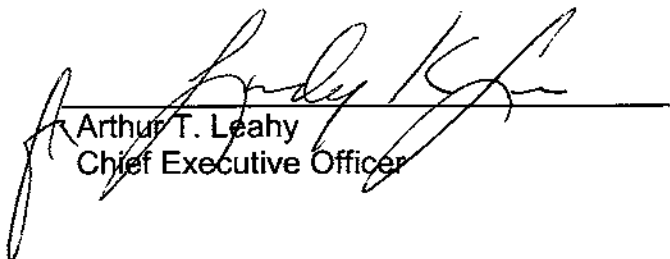

Metro staff will begin the Request for Proposal (RFP) process for a new transit policing contract. ~~Staff will seek Board staff assistance throughout this RFP process.~~ **Staff will report back to the Board on a monthly basis starting in May 2014 with the status of the audit and procurement processes.**

B. Background on Recommended Contractor

LASD is the largest sheriff's department in the world. In addition to specialized services throughout and within many cities that comprise Los Angeles County, LASD has provided law enforcement services to Metro since 1996. LASD has provided satisfactory service during this time.

C. Evaluation of Proposals/Bids

This modification is in compliance with Procurement policies and procedures. LASD's proposal was reviewed and accepted by Metro's Project Office.

D. Cost/Price Analysis Explanation of Variances

LASD's proposed rates are established on an annual basis by the County of Los Angeles Auditor-Controller as required by Government Code Section 53069.8(b). The proposed rates were reviewed and found to be consistent with the pricing established by the Auditor-Controller.
