The Los Angeles County Metropolitan Transportation Authority will hold a public hearing in February 2018 to receive community input on the proposed amendment of ‘Silver2Silver’ (S2S) on Line 910 (Metro Silver Line); and permanent implementation of ‘TAP Only’ All Door Boarding (ADB) on Metro Rapid 754 (Vermont Av) and Metro Rapid 720 (Wilshire Bl). Details of the hearing date, time, and location are shown below.

The upcoming public hearing is being held in conformance with federal public hearing requirements outlined in Section 5307 (d) 1 of Title 49 U.S.C., and public hearing guidelines adopted by Metro’s Board of Directors in 1993, as amended.

Since 2012, ‘Silver2Silver’ (S2S) has allowed passholders using a validated TAP card from either Metro Silver Line or Foothill Transit Silver Streak to board either service with no additional charge between El Monte and Downtown Los Angeles. In October 2017, Foothill Transit introduced a new Day Pass product to be accepted on the Metro Silver Line. Metro is recommending inclusion of this new pass product and continuation of this partnership to the benefit of customers.

‘TAP Only’ All Door Boarding (ADB) allows boarding and alighting from both the front and rear doors and requires that all customers have a validated TAP card. Metro anticipates launching ADB on the Metro Rapid 754 in June 2018, followed by Metro Rapid 720. ADB is currently implemented on Line 910 (Metro Silver Line) and was previously piloted on Metro Rapid 720. Metro has provided the ability to load cash on TAP cards at the farebox and is expanding vendor network coverage.
