31. CARRIED OVER to October Board Meeting - staff response to Bernson motion on identification of alternative funding sources for the continued operation of the **Chatsworth Bicycle Station**.
  
33. CARRIED OVER to October Board Meeting Bernson Motion:
  - A. that MTA staff immediately develop a plan to use a portion of the Public Art Fund from the remaining two Red Line stations to construct a **complementary bus waiting area** on the street level which continues, when possible, the theme of the two unfinished stations. If there are no Public Art Funds remaining in the account for these two stations, that staff then be prepared to identify an alternative funding source for these sites.
  
  - B. that MTA staff be directed to identify funds and prepare an implementation schedule for the installation of bus shelters, landscaping and other commuter amenities at all other sites along the Red Line MOS-2 where they are needed for the comfort of bus riders and that staff return with this report to the Planning and Programming Committee within 60 days.
  
  - C. that although a new contract for the City of Los Angeles currently identifies an additional 425 bus shelter sites, that these shelters are commercial in design and nature and do not complement the theme of each station and should be considered only as a last resort
