That no change be made to the formula for allocation of Federal Section 5307 Capital funds or in the way these funds are allocated for two years with a $15 million cap; or in the way these funds are allocated, and that MTA’s FY 2000 and FY 2001 budgets reflect that policy position; and

That $14.8 million in FY 2000 Prop. C 40% funds be allocated FOR FY 1999-00 AND FY 2000-2001 to the included and eligible municipal operators according to the formula allocation procedure as their proportionate share of these funds, and that the Board direct staff to allocate proportionate shares to the municipal operators for two years based on bus funding which MTA receives.
