   E. modifying original recommendations for Lines 154 and 418 as follows: - implement minor reroute on Line 154 to serve Northridge Metrolink Station; and - retain Line 418 express service; operate reverse commute service on regular route; and
   F. an initial one-week free fare on the Ventura and Wilshire-Whittier Metro Rapid Bus Lines.

11. ADOPTED MTA Rights-of-Way Preservation Guidelines for use by MTA as guidance in the review and approval of requests for interim uses of MTA rights-of-way and other vacant properties.
12. APPROVED SUBSTITUTE MOTION by de la Vega, AS AMENDED by Yaroslavsky, that the Board direct the CEO to proceed with work on Draft Environmental Impact Statements/Reports for the following alternative in the **Mid City/Westside corridor** and consult with the Federal Transportation Authority on any issues related to this alternative. **Mid-City/Westside**: Bus Rapid Transit along the Exposition Right-Of-Way from Figueroa to Venice/Robertson with a westerly extension along Venice Boulevard to Sepulveda, northerly along Sepulveda reconnecting to the Exposition Right-Of-Way to downtown Santa Monica. There should be further consideration of minimal operable segments to Crenshaw, La Cienega and Venice/Robertson.

**ALSO APPROVED AMENDMENTS** by Fasana to include consideration of light rail and by Knabe to look into studying a tunnel section from Figueroa to just west of Vermont.

13. APPROVED ON A ROLL CALL VOTE, Burke Substitute Motion, AS AMENDED by Yaroslavsky:

Directed staff to seek BRT demonstration funding from FTA for:

A. Corridors as defined in the February Board action where BRT is recommended as a technology;

B. Other high ridership, network enhancing BRT corridors as included in the Phase I and Phase II of the Rapid Bus Program. Emphasize regionally significant BRT corridors that create work of feeder lines to Metro Rail and MTA major regional bus lines; and

C. Staff to return with analysis on the availability of funds for BRT based on discussions with FTA and a staff analysis on the availability of projects deemed eligible and ready to utilize BRT funding.

**Contingent upon the eligibility of all 3 corridors for the funds.**

17. APPROVED ON CONSENT CALENDAR BY A 2/3 VOTE:

A. Adoption of the following motion: The Board finds by a two-thirds vote that the ATMS consists of highly specialized telecommunications and other related electronic equipment, such that the procurement qualifies under Public Utilities Code Section 130238 for procurement by competitive negotiation. As part of the procurement, the Board hereby authorizes a System Integrator consultant procurement, which will deliver and install **ATMS equipment**, to be conducted pursuant to Public Utilities Code Section 130238; and

B. the process for technical evaluation of proposals, identification of qualified sources, and selection for contract award. These procedures are consistent with and based upon MTA’s existing Procurement Policies and Procedures.

18. APPROVED ON CONSENT CALENDAR BY A 2/3 VOTE:

A. Adoption of the following motion: The Board finds by a two-thirds vote that there is only a single source of procurement for the replacement portable field (hand-held) radios, and the purchase is for the sole purpose of replacing the worn out radios already in use. The Board hereby authorizes the purchase of the radios pursuant to Public Utilities Code
Section 130237; and

B. award of a firm fixed-price contract to E. F. Johnson Radio Systems, Mesa, Arizona, for the purchase of 177 radios and related support equipment for use on the Metro Green (D) Line (D Line) Operations communications system at a cost of $203,946, including shipping and sales tax.

42. APPROVED ON CONSENT CALENDAR:

   A. negotiation and execution of a lease to service contract defeased lease transaction for the **74 Breda Red (A) Line vehicles** with CIBC World Markets (CIBC) as the equity investor and other documents; the lease to service contract is anticipated to generate a gross benefit of not less than 9% of the approximately $146 million appraised value of the vehicles (estimated to be $13 million);

   B. payment of fees and transaction expenses not to exceed 0.75% of the appraised value of the vehicles estimated to be between $1 million and $1.2 million; and

   C. resolution authorizing the lease to service contract defeased lease transaction for the 74 Breda Red (A) Line vehicles.

47. APPROVED ON CONSENT CALENDAR:

   A. Supporting the **Southern California Intercity Rail Group (SCIRG)** vision statement and goals; and

   B. Amending the MTA Legislative Program to work cooperatively with Southern California Intercity Rail Group (SCIRG), the Southern California Regional Rail Authority (SCRRRA), and the Southern California Association of Governments (SCAG) to secure funding for transportation projects in Los Angeles County.

48. APPROVED ON CONSENT CALENDAR:

   A. adoption of the recommended MTA **Telecommunications and Related Facility Assets Management Program and Third Party Use Guidelines**; and

   B. incorporating the Board adopted Fiber Optic policies into MTA Telecommunications and Related Facility Assets Management Program and Third Party Use

Guidelines, and revise the same to include all telecommunications and related facility assets for commercial use.

49. **ADOPTED** the draft policy governing both **revenue-generating advertising and transit-related advertising** placed by MTA on the Metro System, **AMENDED** by Riordan, to include that the MTA shall not place or allow any exterior advertising on its rail vehicles, BRT vehicles, rapid bus vehicles, and other new types of transit service.

50. **APPROVED ON CONSENT CALENDAR:**

   A. working to amend state law to authorize the MTA to provide “charter-type” service for the 2000 Democratic National Convention and to request a waiver from the FTA on similar prohibitions at the federal level; and

   B. supporting **transportation needs for the Democratic National Convention** (DNC) and directing the CEO, or his representatives, to negotiate with LA Convention 2000, the City of Los Angeles, and the Los Angeles Convention & Visitor’s Bureau to:

      1. Assist with the Democratic National Convention transportation plan by providing a number of “charter-type” buses, operators, and other ancillary staff, from August 12-17, 2000, such that regular MTA service or compliance with the Consent Decree will not be impacted;

      2. Determine what other types of services MTA may provide for the Democratic National Convention; and

      3. Ensure that any support provided for the Democratic National Convention is cost-neutral for the MTA and does not interfere with service to the public.

51. **APPROVED ON A ROLL CALL VOTE ITEM A, AS AMENDED** by de la Vega.

   **APPROVED ON THE CONSENT CALENDAR ITEMS B THROUGH J** positions on State Legislation:

   A. **AB 2643 (Calderon)** - This measure is being sponsored by municipal operators in Los Angeles County and addresses funding allocations by the MTA. **OPPOSE NEUTRAL, WORK WITH AUTHOR.**

   B. **AB 2816 (Kuehl)** - Would authorize the MTA to conduct a study of the 101 Freeway in a specified portion of the San Fernando Valley. **SUPPORT.**

   C. **AB 2742 (Baugh and Strickland)** - This bill would shift the sales taxes on gasoline sales to county transportation commissions (CTC) and regional/transportation planning agencies (RTPA) based on population. The bill would also allocate $156 million annually from the General Fund for transportation purposes to CTCs and RTPAs in fiscal years 2001 to 2005. **WORK WITH AUTHOR.**

   D. **SB 1426 (Rainey)** - This bill would shift sales tax funds from the Public Transportation Account to cities and counties for street and road repair. **WORK WITH AUTHOR.**

   E. **AB 1951 (Longville)** - This measure is sponsored by the Southern California Regional Rail Authority (Metrolink) and is proposing an increase in funding for Metrolink services. **SUPPORT.**
F. SB 1427 (Rainey) - This bill would reinstate a tax credit for employers who provide transit passes for their employees. SUPPORT.

G. AB 2373 (Longville) - AB 2373 would redistribute the locally generated Call Box funding on a statewide basis. The Call Box program is funded by a $1 surcharge on vehicle registration in counties which voted for the increase. This bill would redistribute those funds based on highway miles and population. OPPOSE.

H. AB 2607 (Knox) - This measure appears to be a “spot” bill and currently makes non-substantive changes in the code sections addressing MTA board member compensation. NEUTRAL.

I. AB 2835 (Hertzberg) - This measure is apparently a “spot” bill and would make non-substantive changes to the Congestion Management Program statutes. NEUTRAL.

J. AB 1428 (Karnette) - Repeals the sunset provision on Freeway Service Patrol programs and makes other improvements. SUPPORT.

52. APPROVED, AS AMENDED by Bernson, that all future changes will be brought to the Board:

A. revisions to the MTA Procurement Policies and Procedures Manual to reflect increases in the small purchase thresholds to $40,000 for purchases of supplies, equipment and materials and increase the micro purchase threshold to $2,500 in accordance with approved Senate Bill 532;

B. a change to the MTA Procurement Policies and Procedures Manual to amend the circumstances under which two step sealed bidding may be used;

C. a change to the MTA Procurement Policies and Procedures Manual to revise the section on protests; and

D. implementation of public notification on all formal bid results.

53. ACTION TAKEN IN CLOSED SESSION TO INSTRUCT LABOR NEGOTIATOR concerning Oropeza motion that the MTA shall not approve the creation of any transportation zone unless the Joint Powers Authority (JPA) governing the zone assumes the collective bargaining agreements, rights, and obligations that currently exist between the MTA and the labor organizations representing employees who will be affected or displaced by the creation of the zone. The JPA operating the zone will be obligated to employ those employees of the MTA who are currently performing functions for the MTA who will be displaced when the JPA governing the zone begins to provide transportation services previously provided by the MTA.

   INSTRUCTED LABOR NEGOTIATOR

59. APPROVED entering into a six (6) month Exclusive Negotiation Agreement (ENA) with Mar
Ventures, Inc. for the development of approximately 7.6 acres of MTA owned properties located at the Chatsworth Metrolink Station AMENDED by Bernson to include that the Board direct that the ownership records relating to this property, reflect this joint ownership. Further, that the “City of Los Angeles,” be listed on all deeds and documents relating to this property and/or ENA, and, further that the MTA and City immediately begin to negotiate the terms and conditions on this property as well as the existing development.

60. APPROVED ON CONSENT CALENDAR execution of a Firm Fixed Price Contract PS-4340-0565 with Booz Allen & Hamilton, Inc. to complete the Santa Monica Freeway Smart Corridor Evaluation Study in the amount of $331,148.

61. APPROVED ON CONSENT CALENDAR negotiation and execution of Contract PS-4340-0603 with Parsons Brinckerhoff Quade & Douglas, Inc., Los Angeles, for HOV Performance Evaluation and Monitoring for an amount not to exceed $2,611,998, inclusive of two options. The first option (approximately $38,400) authorizes the consultant to conduct additional vehicle occupancy counts and the second option (approximately $120,598) authorizes the consultant to conduct up to six additional HOV Connector Analyses.

63. APPROVED ON A ROLL CALL VOTE Burke/de la Vega Motion, AS AMENDED, that the MTA Board:

A. Adopt findings that the proposed Encore Hall project is consistent with the joint development guidelines and goals of the MTA;

B. Direct the CEO to enter into a non-exclusive right to negotiate for four (4) months with the National Academy of Recording Arts & Sciences and their designated development team for the purchase and/or long-term ground lease of two MTA owned parcels adjacent to the Red (A) Line North Hollywood station; and

C. Direct the CEO to negotiate a final agreement and report back to the Board no later than May 31, 2000.

64. APPROVED directing the CEO to analyze an on-going MTA funding plan within the context of continued operation of successful Smart Shuttle services and return to the Board for approval of the funding plan no later than the May, 2000 committee/Board cycle.

65. APPROVED Yaroslavsky Motion, AS AMENDED, directing the CEO to:

A. enter into a non-exclusive right to negotiate for two (2) months with the Children’s Museum and their designated development team for a long-term lease of MTA property at the North Hollywood station. Because there are several parcels surrounding the North Hollywood station that may be suitable for such a development, the CEO should explore all possible parcel options with the Children’s Museum; and

B. report back to the Board on the status of these negotiations no later than April 30, 2000.

66. APPROVED, AS AMENDED by Yaroslavsky, authorization to continue work for 30 days on
Contract No. C0326, **Universal City Station Freeway Overcrossing and Site Restoration**, with Brutoco Engineering and Construction, Inc., (BEC), to support the Segment 3, North Hollywood Extension, Revenue Operations Date (ROD), **in an amount not-to-exceed one-third of $1,400,000 and come back to the Construction Committee in April, 2000.**

67. APPROVED AS CORRECTED:

A. submitting the following **federal appropriations** requests to our congressional delegatio

1. **$50 million in Section 5309 Fixed Guideway-Discretionary Funding to be used toward the construction of the Metro Rail North Hollywood Extension**
   This segment of Metro Rail is scheduled to open on June 24, 2000. The funding request is consistent with the U.S. Department of Transportation’s (DOT’s) FY 2001 budget submittal to Congress and the terms of the Full Funding Grant Agreement (FFGA);

2. **$50 million in Section 5309 Bus and Bus Related Facilities Program-Discretionary Funding**
   This funding will assist the MTA in complying with the Bus Consent Decree and implementing the MTA’s Accelerated Bus Procurement Plan. This request is also consistent with the DOT’s budget submittal to Congress. The funding will assist the MTA in accelerating the purchase of vehicles currently scheduled for procurement in 2003 and 2004;

3. **$15 million for the Eastside and Mid-City Transit Corridors in Section 5309 Fixed Guideway-Discretionary Funding**
   This funding will be used for preliminary engineering, design and environmental work needed for fixed guideway projects in these corridors in the context of the recently approved MIS alternatives for the existing FFGA;

4. **$5 million for the San Fernando Valley Transit Corridor in Section 5309 Fixed Guideway-Discretionary Funding**
   This funding is for preliminary engineering and environmental work for the Fixed Guideway project in the recently approved MIS;

5. **$6 million in Intelligent Transportation Systems (ITS) Funding**
   This funding will be dedicated to the completion of the Regional ITS Communication Network in Los Angeles County and other ITS-related projects, including, but not limited to, railroad crossing safety projects and ITS elements of the MTA’s Metro Rapid Bus Program;

6. **$5 million in Reverse Commute/Jobs Access Funding**
   This funding will assist the Los Angeles region in continuing work on the proposed Countywide Welfare-to-Work Unanticipated Transportation Needs Service (UTRANS) and to provide funding for additional anticipated service needs. MTA is working closely with Los Angeles County in addressing transit needs in this area; and

7. **$1.15 million in Transportation and Community and System Preservation Program Funds**
   This funding will be used for a LANI project at the Wilshire/Vermont Transit Plaza and for a pedestrian-related project in Boyle Heights.
68. APPROVED Burke Motion - that the Board support:

A. the issuance of a Request for Information (RFI) to be issued by the Fuel Cell Buyers Consortium to identify the interested manufacturers for the BRT vehicle based on the ATTB technology, and

B. the submittal of a request to Congress to provide $4 million for preliminary engineering work in Section 5309 Bus Discretionary funding category.

The meeting adjourned 2:45 p.m.
