18. APPROVED ON CONSENT CALENDAR Fasana Motion:

WHEREAS, Propositions A & C were passed with a division of funds to assist in the development of local and regional transportation needs; and

WHEREAS, Propositions A & C Local Return Program funds are distributed to cities and the County on a per capita basis for community transit programs and transportation projects; and

WHEREAS, the Ordinances and guidelines for Propositions A & C established maximum amounts at 5% and 1.5%, respectively for MTA’s administration of these funds; and

WHEREAS, MTA currently claims the maximum amount of approximately $35 million annually to administer local transportation funds, but does not clearly identify the use of these funds in the MTA annual budget or financial audit documents, as referenced in MTA’s Triennial Performance Audit.

WHEREAS, the intent of Local Return Program funds is to improve cities and County public transit, paratransit, and the related transportation infrastructure.

I THEREFORE MOVE, that MTA staff report back to the Board in 30 days with a response to the aforementioned findings raised in the FY1998-2000 Triennial Performance Audit, accompanied with any necessary corrective policy measures.
20. APPROVED service modifications to the Consent Decree Pilot Program.

21. APPROVED ON CONSENT CALENDAR award of a nine-month, firm fixed-price Contract No. PS-4340-1003 to Tetra Tech, Inc. (formerly known as ASL Consulting Engineers) for preparation of Noise Barrier Scope Summary Reports (NBSSR), including Environmental Documents, and Noise Study Reports for the Post 1989 MTA Retrofit Soundwalls, Phase I, Priority I projects and the Priority 2 test project on Rte. 134 in the City of Glendale for an amount not to exceed $1,600,000.

   B. an increase in the Authorization for Expenditure (AFE) to Contract No. MC056 to provide funding for Segment 2 and Segment 3 Claims Support in the amount of $1,054,880, increasing the current AFE from $5,134,573 to $6,189,453.
24. WITHDRAWN - Molina motion directing the MTA to utilize the design/build model as the construction method of choice for the Eastside Light Rail Project.

25. APPROVED ON CONSENT CALENDAR Yaroslavsky Motion:

For the last few years, I have been working closely with the MTA and the community surrounding the Universal City Station to address concerns and issues that have been raised as a result of the construction of the Red Line to North Hollywood. Now that the project is almost completed, there are a couple of issues that still must be resolved.

The Island community near the Universal City station has been working closely with the MTA and their consultants to develop a final landscaping plan that includes a solid barrier between South Weddington Park and the 101 Freeway, to help mitigate the impacts of the new station access road and reconfiguration of the highway entrance on this residential community. The MTA has also worked closely with the City’s Department of Recreation and Parks and Caltrans in the development of this plan to successfully address the concerns of the residents as well as the issues raised by these two agencies, including use of park property for the barrier.

It is important to make sure that the landscaping and barrier plans are finalized, designed and constructed before final construction is completed at the Universal City Station site. In order to move forward, the Department of Recreation and Parks needs to approve the proposed plan and the MTA has to authorize its consultants to design and construct the project within a very short time frame.

I THEREFORE MOVE that the MTA Board signify its intent to move forward with the final landscape and barrier plan developed by the MTA and the community and direct MTA staff to work with Department of Recreation and Parks to approve the proposed plan at its September meeting.

I FURTHER MOVE that the MTA staff return in 30 days with a timetable for completion of the landscaping and barrier plan and provide the necessary information for the Board to give final authorization to move forward with the design and construction of this project.
26. APPROVED award of a 30-month, firm fixed-priced Contract No. PS-4340-0674, to National Engineering Technology Corporation (NET) for the **Regional Integration of Intelligent Transportation Systems Project (ITS Project)** in the amount of $4,279,867.

27. CLOSED SESSION:

A. Conference with Legal Counsel – Existing Litigation G.C. § 54956.9(a):

   APPROVED waiving Benefit Assessment District fees for properties located at 490 & 496 Bauchet Street, Los Angeles, until further notice.

2. Torres v. MTA, Case No. BC 156379

   No Report.

B. Conference with Labor Negotiator – G.C. § 54957.6

   Agency Negotiators: Julian Burke and Brenda Diederichs

   Employee Organizations: AFSCME and Engineers and Architects Association

   No Report.
28. APPROVED an increase of $700,000 in MTA’s one-third contribution for Pacific Coast Highway Grade Separation Project to a total maximum contribution of $14.0 million.

RECEIVED public comment.
