5. APPROVED ON CONSENT CALENDAR revised Huizar Motion that:

A. Preliminary engineering and station designs for the Broadway Station of the Regional Connector be completed to include both Broadway and Spring Street passenger access portals, and a ticketing mezzanine;

B. Bids be solicited to both include and exclude these items, so that if sufficient funding is available or becomes available, these important station elements can be completed.; and

C. An additional $500,000 to perform PE for a second entrance for the Broadway Station as an option in the PE Contract E0119 with Connector partnership Joint Venture with no increase in the life of the project budget.

7. APPROVED ON CONSENT CALENDAR:

A. Accepting the Project Sponsorship for the Exposition Boulevard Right-Of-Way Bike Path – Westside Extension Project (“the Project”) and authorizing the transfer of $13,053,170 in programmed funds ($11,528,000 in federal Transit Enhancement (“TE”) funds and $1,525,170 in Local Transportation Funds) from the Cities of Los Angeles and Santa Monica to the Los Angeles County Metropolitan Transportation Authority (“Metro”) for the Project;

B. Adopting a Life-of-Project Budget of $16,102,170 for Capital Improvement Project No. 890003;

C. Authorizing the Chief Executive Officer (“CEO”) to execute an amendment to the Exposition Project Phase 2 Funding Agreement with the Exposition Metro Line Construction Authority (“Construction Authority”) to provide up to $16,102,170 for the Project and an amendment to Exposition Project Phase 2 Master Cooperative Agreement with the Construction Authority to address related provisions for the design and construction of the Project;

(Continued on next page)
(Item 7 continued from previous page)

D. Authorizing the CEO to negotiate and execute funding agreements with the Cities of Los Angeles and Santa Monica for their funding contributions towards the Project and to execute the corresponding license agreements for operating and maintaining the bike path on Metro's right-of-way;

E. Amending the FY12 Budget to increase revenues and expenses by $800,000 for Capital Improvement Project No. 890003 to advance the current Conceptual Design to Preliminary Engineering and develop a Lump Sum Fixed Price (LSFP) proposal for the Final Design and Construction of the Bike Path. Award of Final Design and Construction Scope of Work is subject to the review and approval of the LSFP by Metro; and

F. a Notice-to-Proceed of $800,000 for the Construction Authority for preliminary engineering, once the California Transportation Commission authorizes a state allocation of the $11,528,000 in federal TE funding for the Project.

8. AUTHORIZED ON CONSENT CALENDAR the Chief Executive Officer to negotiate and execute agreements with other Regional Transportation Planning Agencies within the Southern California Association of Governments (SCAG) region, which would allow parties to borrow, lend, or exchange federal apportionments to minimize federal apportionment rescissions in the SCAG region.

9. AUTHORIZED ON CONSENT CALENDAR:

A. A grant of $1,073,000 to the City of Los Angeles (City) for design of Taylor Yard Bikeway/Pedestrian Bridge over Los Angeles River with the City providing $327,000 in matching funds.

(Continued on next page)
(Item 9 – continued from previous page)

B. The Chief Executive Officer to enter into a Memorandum of Understanding with the City for Taylor Yard Bikeway/Pedestrian Bridge; and

C. The addition of $400,000 to the FY12 budget for the Taylor Yard Bikeway/Pedestrian Bridge project.

10. AUTHORIZED, AS AMENDED, the Chief Executive Officer to execute a modification to the existing firm fixed-price contract with Cambridge Systematics, Inc. in the amount of $345,000 increasing the total multi-year contract amount from $2,066,131 to $2,411,131 to complete the additional Nexus Analysis activities and conduct an economic analysis for each of the sub-regional Pilot Studies.

AMENDMENT by O'Connor, Najarian and Huizar that the MTA Board direct the CEO to do the following:

A. Modify the existing contract of the Congestion Mitigation Fee Study (as Modification #3) with the additional tasks to develop the technical travel demand modeling capability to estimate travel demand by bicycle and, if possible, in conjunction with other active transportation travel such as walking. This modeling capability could be used to quantify the congestion reduction benefit and other mobility benefits of the bicycle related projects (Active Transportation) identified thus far in the list of projects of the Congestion Mitigation Fee Program currently under development with jurisdictions.

This technical travel demand modeling capability could also be utilized to model bicycle investment (Active Transportation) in other major MTA activities such as the Long Range Transportation Plan, Short Range Transportation Plan, Call-for Projects, Transit Corridor Planning, Joint Development, SB 375 GHG compliance, and other critically important transportation activities carried out by MTA;

(Continued on next page)
(Item 10 – continued from previous page)

B. Work with the MTA OMB to provide the necessary funding for the remainder of FY 11-12 and continue the funding in the budget preparations for FY 12-13 to develop this technical travel demand modeling capability for bicycle travel (active transportation) and execute the contract modification to the existing contract of the Congestion Mitigation Fee Study not to exceed $1.5 million.

C. Develop a phased work plan that includes investigating the state of the practice in this field, identifying performance measures; and collecting the necessary data to develop the technical travel demand modeling capability for bicycle travel (Active Transportation) that works for Los Angeles County.

D. Coordinate with the appropriate stakeholders that would provide the input to develop a technical travel demand model for bicycle travel and, if possible, other active transportation such as walking that reflects the complexity and diversity of MTA’s transportation initiatives across Los Angeles County.

11. AUTHORIZED, ON CONSENT CALENDAR, the Chief Executive Officer to:

A. Determine a strategy for the Interstate 5 South (Orange County Line to Interstate 605) Corridor Mobility Improvement Program (CMIA) Contingency Plan and implement, as necessary to preserve Los Angeles County CMIA funds; and

(Continued on next page)
(Item 11 – continued from previous page)

B. Request the California Transportation Commission (CTC) to swap $167.7 million of Proposition 1B CMIA funds from the Interstate 5 South widening project (Segment 4) with an equal amount of CMAQ and/or other project funds from the Interstate 5 South High Occupancy Vehicle (HOV) (Empire Avenue and Burbank Boulevard) and Interstate 10 HOV (Puente Avenue to Citrus Avenue) projects, as necessary to preserve Los Angeles County CMIA funds.

12. AUTHORIZED ON CONSENT CALENDAR the Chief Executive Officer to:

A. Award a cost plus fixed fee, Contract No. PS4710-2768 to HDR Engineering, Inc in the amount of $5,858,000, for professional services to prepare a Utility Relocation Study that includes conceptual and preliminary engineering, and technical studies for utility relocation and structural components of the I-710 Corridor Project, specifically, for the North Segment, between the Los Angeles River overcrossing to the State Route 60; and

B. Execute individual contract modifications as required, but not to exceed a cumulative total of up to 15% of the contract value, to cover the cost of any unforeseen issues that may arise during the preliminary utilities engineering and technical studies.
13. APPROVED ON CONSENT CALENDAR:

A. Funding marks of about $21.6 million in federal Job Access and Reverse Commute (JARC) funds and $9.3 million in federal New Freedom (NF) funds estimated to be made available for the Fiscal Year (FY) 2012 Solicitation for Proposals;

B. The JARC and NF programs application package and evaluation criteria;

C. Update of the Coordinated Public Transit–Human Services Transportation Plan; and

D. Amending the LACMTA FY 12 Budget to add two full-time equivalent (FTE) positions to be funded 100% with federal funds from the JARC and NF programs to support activities required from the Los Angeles County Metropolitan Transportation Authority (LACMTA) as the Designated Recipient of these funds.

NOTE – FTE positions will expire when funding runs out and will be reviewed during upcoming budget process.

14. AUTHORIZED ON CONSENT CALENDAR authorizing the Chief Executive Officer to:

A. Award a firm fixed, Contract No. PS 4710-2770 to Consensus Inc., in the amount of $3,896,728 for professional services contract to facilitate and support public participation in the development of the Draft and Final EIS/R for the State Route 710 project from Interstate 10 to State Route 134/Interstate 210. The environmental services contract that this companion public outreach contract will support was approved by the Board in October 2011.
(Item 14 – continued from previous page)

B. Amend the FY12 budget in the amount of $125,000 to add one Community Relations Manager FTE position in Regional Communications to manage the multi-year public and community outreach effort. This position is for the life of project only and will terminate with project completion.

F. Conference Regarding Potential Threats to Public Services
   and Facilities - G.C. 54975:

   While there may be no immediate threat, this is to provide the
   Board with a confidential update by Ruthe Holden, Chief
   Auditor, and Paul Taylor, Deputy Chief Executive Officer, on
   security related matters.

   NO REPORT.

ADJOURNED at 1:18 p.m. in memory of Judy Wright, a long-time Claremont
resident, city historian and former mayor who passed away January 9, 2012.
She worked to bring Metrolink service to the area and saved the Claremont
depot. She was also involved in the establishment of Foothill Transit, serving
as one of the founding Executive Board members.
