49. RECEIVED AND FILED report responding to the September 27, 2012 Board Motion directing staff to provide a report on accelerating the Airport Metro Connector project including a strategic implementation plan, recommended advocacy efforts and comments on Los Angeles World Airport’s Specific Plan Amendment Study.

APPROVED KNABE MOTION AS AMENDED that the MTA Board:

Instruct the CEO to report back for discussion at the MTA Full Board meeting on January 24, 2013, with written details on the strategic next steps and plan to “accelerate” completion of the Green Line to LAX/Airport Metro Connector Project, with or without Measure J, for project delivery by 2020, on a timeline that complements both the Crenshaw Corridor Light Rail Project and the South Bay Green Line Extension Project, which are connected to and share the Green Line Corridor. The report should include the following:

1. A detailed action plan that includes depth and span of project and funding alternatives, and a formal arrangement for working with LAWA, as well as local, state, and federal partners, to fund and implement the Green Line to LAX/Airport Metro Connector Project on an accelerated schedule;

(Continued on next page)
(Item 49 – continued from previous page)

2. A specific approach to advocacy efforts with relevant federal agencies (FTA, FAA, etc) to better coordinate and align with the federal review process, including resolving any roadblocks to project funding, implementation and acceleration.

3. A detailed timeline and the specific MTA Board actions that are needed to accelerate delivery of the project including the environmental review, any amendments to the Expenditure Plan and/or LRTP that may be required, and other actions that are necessary to expedite the project.
