2. APPROVED ON CONSENT CALENDAR Minutes of the Regular Board Meeting held February 28, 2013.

3. RECEIVED Chair’s Report.

Director DuBois requested that staff return next month with a fare restructuring plan that includes a variety of fare scenarios to meet the objectives outlined below:
- financial stability for operations funding (the customer is expected to pay a reasonable portion for the service provided)
- improved fare box recovery ratios (there are assumptions made in the LRTP that are not being met with the current fare structure)
- time-based fares (TAP capabilities will allow for more flexible fares)
- maintains a low cash fare
- premium fare for premium service (higher for rail/BRT)
- ease of transfer (between Metro bus/rail and municipal operator services)

28. APPROVED ANTONOVICH AND NAJARIAN MOTION that the MTA Board instructs the CEO to develop a North County Multimodal Integrated Transportation Study (NCMITS) that will serve as the update to the original North County Combined Highway Corridors Study (NCCHCS).

To accomplish this initiative, the CEO will:

- Identify a source of funding and report to the Board the amount and source of funding for the NCMITS.
- Work collaboratively with and seek policy guidance from the County of Los Angeles and Cities of Lancaster, Palmdale and Santa Clarita through the North County Transportation Coalition (which provided policy oversight for the NCCHCS) in developing the NCMITS.
- Develop a work plan to reach out to and include in this process the following parties:
  - North County local jurisdictions – Lancaster, Palmdale, Santa Clarita, Los Angeles County
  - Adjacent jurisdictions (e.g. Kern County, San Bernardino County)
  - Transportation stakeholders (e.g., Antelope Valley Board of Trade, Santa Clarita Chamber of Commerce)
  - Potential partners (e.g., California High Speed Rail, XpressWest)
  - Other interested stakeholders
- Include as part of the NCMITS the development of an airport ground access / modal connectivity study that will assist the City of Palmdale’s efforts to meet Part 139 re-certification process requirements for the Palmdale Airport’s master plan.

(Continued on next page)
(Item 28 – continued from previous page)

- Include as part of the NCMITS the development of a feasibility study for an Inland Multimodal Freight Transfer Facility (i.e., “inland port”), including a full review of the opportunities for and barriers to implementing such a facility, with recommendations on overcoming any barriers to making this facility feasible.

- Include as part of the NCMITS a fixed guideway transit feasibility and assessment study for the Santa Clarita Valley and Antelope Valley to accommodate long-term growth and transit needs.

The CEO will report back to the MTA Planning and Programming Committee in April with an update on the status of this Board direction and a proposed timeline for completing the NCMITS.
