7. APPROVED AS AMENDED Motion by Directors Fasana, O’Connor and Bonin that the Metro Board directs the CEO to report back in February 2014 with the following:

   A. identification of two stations for each line which would benefit from implementation of First/Last improvements based on recommendations outlined in Metro’s First/Last Mile Study.

   B. identification of funding to implement the improvements including working with jurisdictions to utilize and/or supplement existing Call funding without impact to other transit lines.

   C. coordination and further development of design concepts to prototype a seamless regional First/Last Mile vision for potential implementation at other transit line stations including Crenshaw, Regional Connector and the Westside Subway.

O’CONNOR AND DUBOIS AMENDMENT:

   A. include jurisdictions with rail lines already authorized for construction or presently in operation; and

   B. allow “sub-regional funding” to be an eligible local source of funding for projects that are eligible under sub-regional fund guidelines and meet the first/last mile funding eligibility criteria.
