This amount is included in the Life-of-Project budget of $1,420,016,799. This action does not increase Life-of-Project Budget.

53.  AUTHORIZED ON CONSENT CALENDAR the Chief Executive Officer to execute annual expenditure budget plan for the FY15 Annual Work Plan for the City of Los Angeles.
54. AUTHORIZED the Chief Executive Officer to execute multiple change orders to Contract No. C0882, with Kiewit Infrastructure West Company, for additional design and construction of Retaining Wall 1921 in an amount not to exceed $1,611,928 increasing the total contract value from $904,851,253 to $906,463,181. Requested funds are within the Life-of-Project budget.

57. APPROVED AS AMENDED Motion by Directors Molina, and Dupont-Walker, Ridley-Thomas and Garcetti that the Board direct the Chief Executive Officer to:

A. establish a pilot program for a special impact fund Business Interruption Fund for mom and pop businesses located along the Crenshaw Line, and within the Little Tokyo area along the Regional Connector and Phase I of the Purple Line Extension immediately;

B. define mom and pop businesses as those meeting the following criteria:

1. having 25 employees or fewer;

2. a minimal operational history of two years;

3. being in good standing with local, state and federal tax requirements; and

4. able to produce financial records (i.e. gross receipts, business license information, payroll taxes and other pertinent financial information) demonstrating the loss of business revenue directly related to the period of construction disruption.

C. conduct a baseline survey of all businesses within the pilot project areas;

(Continued on next page)
D. identify and designate $10,000,000 of Metro funds annually to be used for the implementation of the Business Interruption Fund. Funds shall be distributed through the project’s administration and/or respective Business Solution Center;

E. provide funding for the pilot program to fund up to 60 percent of potential business revenue loss. Such loss shall be validated by MTA based upon supporting documentation provided by the business; and each business should be eligible for a maximum of $50,000 annually, not to exceed 60 percent of their annual business revenue loss

F. work with Los Angeles County and local cities to seek all appropriate legislation that would temporarily reduce or waive taxes and fees imposed on impacted businesses during transit-related construction activities and work with the Los Angeles County Assessor’s Office to immediately initiate outreach activities to businesses impacted by transit-related construction activities in order to inform them of the Assessor’s Office Proposition 8/Decline-in-Value Review process; and

G. report back to Construction Committee monthly beginning in October with an implementation status plan and report back to the Board of Directors in September 2015 with an evaluation of the program including utilization levels and recommendations for program modification.

Participation in the program would release MTA and the general contractor from further liability claims for business loss unrelated to specific incidents of damage and would be voluntary.
63. **APPROVED Motion by Director Fasana** that staff be directed to include in the agenda of the Executive Management Committee written reports on federal and state affairs.

Furthermore, staff is also directed to provide a regularly updated legislative matrix on federal and state legislation or state ballot measures that the agency has taken a position on or are being monitored. Information in the matrix is to include subject and description, author (with party and city) location of the bill, status including last amended date, next hearing, positions of Metro and other agencies, and recent activities.
