18. AUTHORIZED ON CONSENT CALENDAR the Chief Executive Officer to negotiate a Programming/Funding Agreement with Caltrans to program an additional $10,279,000 for the I-10 High Occupancy Vehicle Lanes Project from Citrus Avenue to SR-57.

20. APPROVED ON CONSENT CALENDAR:

   A. supporting Southern California Association of Governments’ Draft 2015 Active Transportation Program (ATP) Regional Project Selection Process; and

   (Continued on next page)
(Item 21 – continued from previous page)

B. approving the use of 2014 ATP policy for applying up to 10 points to ATP applications to reflect consistency with regional and local plans for the 2015 ATP.

21. APPROVED ON CONSENT CALENDAR:

A. authorizing the Chief Executive Officer to negotiate and execute Joint Development, Construction and Funding Agreement and Reciprocal Easement Agreement and such other documents necessary to effectuate the transaction, consistent with the Term Sheet, with NREA-TRC 700 LLC, a Delaware limited liability company, ownership entity of The Bloc or its designee for the design, construction, operation, maintenance and funding of a pedestrian passageway between 7th Street/Metro Center Station, consistent with the Term Sheet;

B. authorizing the Life of Project (LOP) Budget of $4,650,000 for The Bloc/Metro Connection; and

C. amending the FY2016 proposed budget by adding $4,250,000, as a portion of the LOP Budget approved on item (B).

24. APPROVED the revised Motion by Bonin, Garcetti and Kuehl that the Board direct the CEO to report back at the Planning and Programming meeting with a preliminary analysis of the opportunities and challenges of implementing an off-board fare payment program and/or all door boarding to support our Countywide BRT expansion, using industry best practices in technology, station design and enforcement as a guide.

FURTHER that the Board direct the CEO to undertake an applied study using the Wilshire Boulevard BRT corridor or other appropriate corridors as an opportunity to fully assess the practical challenges and opportunities. The study should include, but not be limited to:

A. The impact of off board fare payment and all door boarding policy on bus dwell time, passenger convenience, and fare evasion;

(Continued on next page)
(Item 24 – continued from previous page)

B. Guidelines and criteria for off board fare payment and all door boarding, including options for payment systems, requirements for right of way and utilities for each option, capital cost and ongoing support for each (i.e. maintenance, revenue collection, fare enforcement, etc.);

C. Cost/benefit analysis of implementing a program;

D. Impacts to pedestrian accessibility and circulation;

E. Station design, technology enhancements and enforcement;

F. Recommendations on thresholds of ridership and/or boardings at specific stop locations that could benefit from off-board fare payment and/or all door boarding; and

G. Consideration of bus stop locations with right-of-way characteristics that are highly constrained and those with more ample space.
