51 CARRIED OVER TO FEBRUARY BOARD ADOPTION of revisions to 2016-1006 Metro’s System Advertising Policy in order to update policy and expand Metro’s current advertising opportunities and generate additional revenue - as recommended in the Risk Allocation Matrix (RAM) process approved at the January 2016 Board meeting.

52 APPROVED ON CONSENT CALENDAR Motion by Director Kuehl that 2017-0030 the Board direct the CEO to:

A. Meet with environmental stakeholders and representatives of Caltrans District 7, the County of Los Angeles, the Los Angeles County Flood Control District, the Regional Water Quality Control Board, state and federal fish and wildlife agencies, and other potentially interested parties to discuss any interest in a RAMP approach for multijurisdictional cooperation in biological mitigations, and explore the development of a conservation greenprint that identifies and helps prioritize areas of high ecological value, water resources, and wildlife movement corridors;

B. Convene a working group of environmental stakeholders and Metro/Caltrans project managers for Transit, Highway and Active Transportation projects to develop an early screening process for biological evaluation to be applied to the review of projects scheduled for planning and/or construction over the next thirty years. Screening shall not only include any likelihood of direct and indirect impacts to plant and/or animal species, habitats, biological systems, and wildlife corridors, but also an evaluation of multiple Metro projects with regard to commonalities in ecosystems, animal and plant type, habitat, watershed, and scheduled timing of implementation. Project evaluation should also determine whether current review and implementation status renders the project inappropriate for inclusion in a RAMP; and
