

Division 20 Portal Widening and Turnback Facility Project

Abatement of Non-Recyclable Materials along Center St

November 5, 2018

SUMMARY

Beginning Monday, November 5, 2018, and continuing daily, Monday thru Friday, from 7am to 3:30pm, for 10 weeks, Metro Contractors will be performing abatement of non-recyclable materials work in preparation for anticipated structure demolition activities. This work will take place at the following locations:

- National Cold Storage Facility, 815 East Temple Street, 234 Center Street, 210 Center Street

All work is completed within the building. Thru traffic will be maintained during this activity.

NOTEWORTHY

- All work has received necessary permits and approvals
- Access for pedestrians will be maintained outside of the work zone.
- Access for emergency responders will be maintained.
- The activity complies with legal requirements and regulations set by Cal OSHA and AQMD for waste removal prior to building demolition activities.

ESSENTIALS

The Division 20 Portal Widening and Turnback Facility Project will bring improvements to the Division 20 Rail Yard that will allow for improved service times at Union Station and throughout the Metro Red/Purple Line system.

For more information about the project, visit metro.net/division20.
