NOTES:

(1) Population estimates are based on State of California Department of Finance's 2016 population estimates. The Unincorporated Population figure for TDA Article 8 is based on 2007 estimates by Urban Research.

(2) Measure M revenue represents 95% of the estimated annual receipts. This is the amount expected to be collected in FY18. The remaining 5% will carryover to FY19.

(3) Proposition A, Proposition C and Measure R Local Return funds are allocated their share of estimated revenues (minus administration) without carryover since payments are made based on actual revenues received.

TDA Article 3 Allocation:

(A) 15% of the estimated revenue is first awarded to the City of Los Angeles and Los Angeles County (30%-70% split) as Supplemental Allocation.

(B) City of Industry has opted out of the TDA Article 3 program indefinitely.

(C) City of Vernon has opted out of the Measure R Local Return program indefinitely.
